introducing design-led, technology-integrated products, strengthening its positioning within the premium modular kitchen ecosystem, and expanding the product portfolio to enhance share of wallet within the existing channel network.

Medium-Term Growth Vision (3–5 Years)

Growth is expected to be supported by increasing urbanization, premium housing demand, and rising adoption of built-in kitchen solutions across Tier I and Tier II markets, with a continued focus on brand-led expansion, marketing investments, experiential retail brand stores, and scalable operations supported by supply chain efficiencies.

Unique Event Proposition

‘Carysil 2.0’ represents a differentiated industry initiative integrating product innovation, brand storytelling, and stakeholder engagement on a single platform. The event will feature participation from cross-functional leadership teams including Operations, Marketing, Product Development, and Strategy, enabling deeper engagement with the investment community.

Note:

The discussion during the interaction will be largely based on publicly available information and broad strategic direction. No unpublished price sensitive information (UPSI) is intended to be discussed or shared during the interaction.

Kindly take the above information on record.

Thanking you,
Yours faithfully,
