**(g) Reasons and Justification for Seeking Variation for Funding Working Capital Requirements of the Company and Funding through Achievers Ventures Private Limited for Onward Investment in Raghukul Shradha Realty LLP (Step Down Subsidiary).**

- **Funding Working Capital Requirements of the Company:**

The Company has reviewed the utilisation of IPO proceeds and its current funding requirements. Based on such review, the Board observed that the requirement towards repayment of certain borrowings is lower than originally envisaged at the time of the Initial Public Offer and accordingly an amount of Rs. 8.17 Crore remains available for reallocation.

Further, the Company requires adequate working capital to support its ongoing business operations, including procurement of materials, payment to vendors and contractors, employee-related expenses, mobilisation and execution of projects, statutory payments and other operational requirements in the ordinary course of business.

Considering the current operational requirements of the Company and in order to ensure efficient utilisation of IPO proceeds, the Board believes that utilisation of the said amount towards Funding Working Capital Requirements of the Company would be more beneficial and commercially prudent than retaining the funds under the original object of repayment of borrowings.

The proposed variation is expected to provide greater financial flexibility, optimise utilisation of available funds and support the Company's day-to-day operational requirements without requiring additional external funding.

Accordingly, the Board has approved reallocation of Rs. 8.17 Crore from the object "Repayment of Existing Loans / Debts" towards "Funding Working Capital Requirements of the Company".

- **Funding through Achievers Ventures Private Limited for Onward Investment in Raghukul Shradha Realty LLP**

The Company has reviewed the implementation status of the objects stated in the Prospectus and its present business requirements. Upon such review, the Board observed that the proposed capital expenditure towards purchase of construction equipment's amounting to Rs. 7.05 Crore has not been undertaken and the management has decided to defer such procurement considering the current operational requirements and availability of alternate arrangements for project execution.

The Board further noted that Achievers Ventures Private Limited, a Wholly Owned Subsidiary of the Company, has established Raghukul Shradha Realty LLP as part of the Company's business strategy for undertaking real estate development activities through its subsidiary structure.

Raghukul Shradha Realty LLP proposes to undertake real estate development projects and requires funding for acquisition and development of project assets, project execution activities, construction expenditure, infrastructure development, statutory approvals, working capital requirements and other business operational requirements associated with such projects.

**ACTIVE INFRASTRUCTURES LIMITED**

**(Formerly Known as Active Infrastructures Private Limited)**

**CIN :** L45200MH2007PLC174506

**Registered Office :** Riaan Tower 10<sup>th</sup> Floor, Mangalwari Road, Sadar Bazar, Nagpur-440001, Maharashtra

**E :** investorinfo@activeinfra.in | **Phone No. :** +91-7030002842 | **Website :** <https://activeinfra.in/>

Accordingly, the Company proposes to utilise an amount of Rs. 7.05 Crore by way of loan to Achievers Ventures Private Limited for onward investment by way of Loan in the form of Current Capital in Raghukul Shradha Realty LLP.

The Board believes that the proposed deployment of funds through the subsidiary structure would facilitate timely implementation of real estate development projects, optimise utilisation of unutilised IPO proceeds, strengthen the Company's presence in the real estate sector and create long-term value for the Company and its stakeholders. The proposed variation would also enable productive deployment of funds towards business opportunities that are expected to contribute to future growth and revenue generation.

The Board is therefore of the view that reallocation of Rs.7.05 Crore from the object "Capital expenditure towards purchase of construction equipment's" towards funding Achievers Ventures Private Limited for onward investment in Raghukul Shradha Realty LLP is commercially prudent, in the best interests of the Company and its shareholders and would result in efficient utilisation of IPO proceeds.
