Press Statement

"The committee appointed by the Ministry of Environment and Forests (MoEF) has submitted their report to MoEF today. As a responsible corporate, we have been complying with the applicable rules and regulations. We will continue to work closely with the government for preservation of environment and upliftment of the communities in which we operate. We are studying the report in detail and will work out appropriate steps. The north port has not been developed at all and hence this will not impact the current operations of the company."
