## ‘Regime change’ plot behind 2020 riots, Delhi Police tells SC, opposes bail pleas

**ANANTHAKRISHNAN**  
NEW DELHI, OCTOBER 30

THE DELHI Police on Thursday told the Supreme Court that the communal riots that rocked the Capital in 2020, killing 53 people, were a “criminal conspiracy hatched for achieving the final ‘regime change’ goal” and stoutly opposed granting of bail to the accused, including Umar Khalid and Sharjeel Imam, in cases registered against them. In an affidavit filed in the Supreme Court, the Delhi Police also stated that evidence indicated that the “instant conspiracy” was premeditated to coincide with then US President

Donald Trump’s official visit to India to attract international media attention and portray the Citizenship Amendment Act (CAA) as a pogrom against the Muslim community.

According to the police, the petitioners were solely responsible for the delay in the trial in the case and, therefore, should not be given the benefit of that. “The petitioners through their malafide machinations have made every attempt available to them in the book to delay, derail and obfuscate the investigation and trial in the matter. The bail in the present case, specifically in view of the extreme severe gravity of the offence, cannot be granted only on the ground of

delay for which the petitioner(s) themselves are responsible,” the affidavit said.

The police said there exists “ocular and irrefutable documentary as well as technical evidence against the petitioners showing their intrinsic, deep-rooted and fervent complicity in engineering nation-wide riots on communal lines”. The affidavit said “the conspiracy hatched, nurtured and executed by” them “was to strike at the very heart of the sovereignty and integrity of the country by destroying the communal harmony; instigating the crowd not only to abrogate public order but to instigate them to an extent of armed rebellion”. It added that

the international theory developed in the past few years has termed these kinds of organised/sponsored protests as “regime change operation(s)”.

The Delhi Police said “the materials on record, including the chats referencing Donald Trump, establish beyond doubt that the instant conspiracy was pre-planned to be executed at the time when the US president was to make an official visit to India.

This was done so as to draw the attention of ‘international media’ and to make the issue of CAA a global issue by portraying it as an act of “pogrom of Muslim community in India”. The affidavit further said that

the CAA issue was “carefully chosen” to serve as a “radicalising catalyst camouflaged in the name of peaceful protest”.

“The deep-rooted, premeditated and pre-planned conspiracy hatched by the petitioners resulted in death of 53 persons, large-scale damage of public property leading to registration 753 FIRs in Delhi alone,” the affidavit pointed out, adding that “evidence on record suggest that the instant conspiracy was sought to be replicated and executed PAN India”.

Opposing the accused’s prayer for bail, it said, “In the offences which strike at the very root of integrity of India (UAPA offences) ‘jail and not bail’ is the

rule.” The affidavit said that the allegations against the petitioners were “prima-facie true” and “the onus of refuting the said presumption rests with the petitioners which they have miserably failed to discharge”.

The police said that “the conduct of the petitioners in the present case is riddled with brazen and blatant abuse of the process of law”. It said that “the delay which has occurred in the commencement of trial is solely attributable to the petitioner”, adding that the Delhi High Court and the special court have repeatedly issued judicial findings detailing how the petitioners, working in tandem, have not allowed charges to be framed.
