Press Release

## Strengthening our Green footprint!

**Mumbai, 19 February 2026:** ADF Foods Limited (“ADF”), a leading manufacturer and exporter of ethnic Indian food products, has entered into a 25-year Power Purchase Agreement (“PPA”) with Fourth Partner Energy Limited to procure 2 MW hybrid renewable power (wind and solar) for its manufacturing facility at Nadiad, Gujarat.

Under this agreement, ADF will source a significant portion of its overall power requirements from renewable energy once the project becomes operational. The hybrid model, combining wind and solar generation will ensure a reliable and sustainable supply of renewable energy to the Company’s manufacturing operations.

**Commenting on the development, Mr. Bimal Thakkar – Chairman & Managing Director and CEO said,**

“This partnership with Fourth Partner Energy underscores our strong commitment to sustainable growth by integrating hybrid renewable energy solutions into our operations. We are taking meaningful steps toward reducing our carbon footprint and hence enhancing long-term operational efficiency.

This initiative aligns with India’s net-zero vision of 2070 and reinforces our responsibility as a global food company to operate in an environmentally responsible and future-ready manner. In addition to environmental benefits, the agreement is expected to deliver sustainable cost efficiencies in electricity consumption over the long term strengthening resilience of our operations.”

This initiative will also further enhance ADF’s overall ESG framework and CSR profile by demonstrating a proactive commitment to renewable energy adoption and responsible manufacturing practices.

### **About ADF Foods Ltd:**
