Two-thirds of Crisil-rated firms eligible for debt recast

FE BUREAU
Mumbai, September 10

NEARLY TWO-THIRDS OF the companies rated by Crisil would be eligible for one-time debt restructuring, the rating agency said on Thursday. The rating firm has studied its rated portfolio of more than 8,500 companies after sorting them by rating, sector and moratorium. The assessment by Crisil excludes small and medium enterprises and financial sector companies.

The study was conducted after the central bank specified five key ratios across 26 sectors for lenders to follow while restructuring of corporate accounts impacted by Covid-19. The agency also specified that a final picture on how many companies have qualified for restructuring will only emerge over the next three-four months.

The agency has specified that a final picture on how many companies have qualified for restructuring will only emerge over the next three-four months

Subodh Rai, senior director, Crisil Ratings, said: "Three out of four investment-grade companies (rated Crisil BBB- or higher) and one out of two in the BB rating category qualify for restructuring of bank loans." However, in the Crisil B category, only one in three qualify because companies here tend to have relatively weak debt protection metrics, he added.

While the parameters support debt restructuring across rating categories, the study indicated that companies in the resilient sectors stand to

benefit more. Three out of four rated ones in the resilient sectors such as construction, chemicals, pharmaceuticals, iron and steel manufacturing, corporate retail and consumer durables/FMCG will qualify for restructuring.

The agency said in the less-

resilient sectors such as auto dealerships, gems and jewellery, hotels, restaurants and tourism, power generation and real estate, opportunities for debt restructuring could be a little lower. Crisil said these sectors can take longer to recover to pre-pandemic busi-

ness levels. Here, only one in three companies could be eligible for restructuring, rating firm said.

Crisil also said restructuring will also be available to a large number of companies that opted for the moratorium.

Franklin's six shut schemes receive ₹2,206 crore in August

FE BUREAU
Mumbai, September 10

THE SIX SHUTTERED debt schemes of Franklin Templeton Mutual Fund received cash flows of ₹2,206 crore from various issuers in August. The fund house in a letter to investors on Thursday said a large portion of the money received during the month was from Vedanta.

Sanjay Sapre, president at Franklin Templeton Asset Management (India), in a letter to investors said on August 17 that four out of the six schemes had cumulatively received ₹1,050 crore as part of maturity proceeds and interest payments from Vedanta.

As on August 31, Franklin India Low Duration Fund and Franklin India Credit Risk Fund turned cash positive, tak-

ing the total count of cash-positive schemes to four. Even the cash position in Franklin India Ultra Short Bond Fund and Franklin India Dynamic Accrual Fund rose to 31% and 14% of their respective assets under management as of August 31. Borrowing levels in the remaining two schemes continue to come down.

Recently, four debt schemes saw a fall in their net asset values as Rivaaz Trade Ventures (RTVPL) – a Future group entity – defaulted on its scheduled debt obligation due on August 31. Due to the default in payment, the securities of RTVPL was valued at zero based on Amfi's standard hair cut metrics.

However, Franklin believes that Reliance Retail's announcement of the acquisition of the retail, wholesale logistics and warehousing business of Future group is a positive development for the non-convertible debentures held by the schemes.

In the letter Sapre also mentioned that barring issues in payment by a small number of issuers such as the Future Group, Essel and Anil Dhirubhai Ambani Group, all other investee companies in the company's portfolio have made the payments as scheduled, since the day of the winding up.

J&K Bank's Q1 consolidated net falls 65.5%

JAMMU & KASHMIR Bank on Thursday reported a 65.5% decline in its consolidated net profit to ₹7.30 crore in the three months ended June. It had a consolidated net profit of ₹21.15 crore in the year-ago period.

The bank had posted a net loss of ₹293.82 crore for the quarter ended March 2020.

In the June quarter, total income fell to ₹2,160.51 crore from ₹2,257.42 crore in the same period a year ago, according to a regulatory filing.

Two-thirds of Crisil-rated firms eligible for debt recast

FE BUREAU
Mumbai, September 10

NEARLY TWO-THIRDS OF the companies rated by Crisil would be eligible for one-time debt restructuring, the rating agency said on Thursday. The rating firm has studied its rated portfolio of more than 8,500 companies after sorting them by rating, sector and moratorium. The assessment by Crisil excludes small and medium enterprises and financial sector companies.

The study was conducted after the central bank specified five key ratios across 26 sectors for lenders to follow while restructuring of corporate accounts impacted by Covid-19. The agency also specified that a final picture on how many companies have qualified for restructuring will only emerge over the next three-four months.

The agency has specified that a final picture on how many companies have qualified for restructuring will only emerge over the next three-four months

Subodh Rai, senior director, Crisil Ratings, said: "Three out of four investment-grade companies (rated Crisil BBB- or higher) and one out of two in the BB rating category qualify for restructuring of bank loans." However, in the Crisil B category, only one in three qualify because companies here tend to have relatively weak debt protection metrics, he added.

While the parameters support debt restructuring across rating categories, the study indicated that companies in the resilient sectors stand to

benefit more. Three out of four rated ones in the resilient sectors such as construction, chemicals, pharmaceuticals, iron and steel manufacturing, corporate retail and consumer durables/FMCG will qualify for restructuring.

The agency said in the less-

resilient sectors such as auto dealerships, gems and jewellery, hotels, restaurants and tourism, power generation and real estate, opportunities for debt restructuring could be a little lower. Crisil said these sectors can take longer to recover to pre-pandemic busi-

ness levels. Here, only one in three companies could be eligible for restructuring, rating firm said.

Crisil also said restructuring will also be available to a large number of companies that opted for the moratorium.

Franklin's six shut schemes receive ₹2,206 crore in August

FE BUREAU
Mumbai, September 10

THE SIX SHUTTERED debt schemes of Franklin Templeton Mutual Fund received cash flows of ₹2,206 crore from various issuers in August. The fund house in a letter to investors on Thursday said a large portion of the money received during the month was from Vedanta.

Sanjay Sapre, president at Franklin Templeton Asset Management (India), in a letter to investors said on August 17 that four out of the six schemes had cumulatively received ₹1,050 crore as part of maturity proceeds and interest payments from Vedanta.

As on August 31, Franklin India Low Duration Fund and Franklin India Credit Risk Fund turned cash positive, tak-

ing the total count of cash-positive schemes to four. Even the cash position in Franklin India Ultra Short Bond Fund and Franklin India Dynamic Accrual Fund rose to 31% and 14% of their respective assets under management as of August 31. Borrowing levels in the remaining two schemes continue to come down.

Recently, four debt schemes saw a fall in their net asset values as Rivaz Trade Ventures (RTVP) – a Future group entity – defaulted on its scheduled debt obligation due on August 31. Due to the default in payment, the securities of RTVPL was valued at zero based on Amfi's standard hair cut metrics.

However, Franklin believes that Reliance Retail's announcement of the acquisition of the retail, wholesale logistics and warehousing business of Future group is a positive development for the non-convertible debentures held by the schemes.

In the letter Sapre also mentioned that barring issues in payment by a small number of issuers such as the Future Group, Essel and Anil Dhirubhai Ambani Group, all other investee companies in the company's portfolio have made the payments as scheduled, since the day of the winding up.

J&K Bank's Q1 consolidated net falls 65.5%

JAMMU & KASHMIR Bank on Thursday reported a 65.5% decline in its consolidated net profit to ₹7.30 crore in the three months ended June. It had a consolidated net profit of ₹21.15 crore in the year-ago period.

The bank had posted a net loss of ₹293.82 crore for the quarter ended March 2020.

In the June quarter, total income fell to ₹2,160.51 crore from ₹2,257.42 crore in the same period a year ago, according to a regulatory filing.
