Key Wins in H1 FY27

- **Five national awards from Mitsubishi Electric India (MEI)** – Honoured at the MEI Channel Partner Meet in Vietnam in August 2026, including the President's Global Award for Industrial Digitalization Excellence and All-India No. 1 Channel Partner for the third consecutive year.
- **ISO 9001:2015 certification** – Awarded for its Quality Management System in June 2026.
- **New integrated facility progressing** – Continued progress on the 70,000 sq ft facility at Bhosari, Pune, bringing manufacturing, engineering, software, design, assembly and testing under one roof.
- **Listed on NSE Emerge** – Shares listed on 30 April 2026, strengthening the Company's capital base, visibility and governance framework.

Future Direction

- **Capacity scale-up:** New Bhosari facility expected to be partially operational from end of Q3 FY27, built to support 4–5x the current revenue base.
- **Sector diversification:** Expanding into pharmaceuticals, packaging, warehousing & logistics, white goods and other high-growth industries.
- **Technology depth:** Strengthening robotics, machine vision, Industrial IoT, digital manufacturing and smart factory solutions.
- **Global reach:** Growing international projects through strategic customer relationships and technology partnerships.
- **FY27 ambition:** Management targets ~25% revenue growth, a 13–14% sustainable PAT margin and a debt-free balance sheet by the end of FY27. As shared on earlier investor calls, revenue is typically weighted towards the second half, with H1 contributing roughly one-third and H2 around two-thirds of full-year revenue.

Expansion: New Integrated Facility at Bhosari, Pune

Construction of the Company's new 70,000 sq ft integrated facility at Bhosari, Pune is progressing well. The facility will bring manufacturing, engineering, software, design, assembly and testing under one roof, and is expected to be partially operational from end of Q3 FY27. Built to support 4-5x the current revenue base, it will underpin the Company's next phase of growth.
