EXPLANATORY STATEMENT

(Pursuant to the Section 102(1) of the Companies Act, 2013:

The following statement pursuant to Section 102 of the Companies Act, 2013, sets out all material facts relating to the businesses mentioned in the accompanying Notice. Further, for Item No. 3 the explanatory statement is being provided pursuant to the Regulation 36(5) of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 ("SEBI Listings Regulations")

ITEM NO. 3: TO APPOINT STATUTORY AUDITOR OF THE COMPANY AND FIX THEIR REMUNERATION:

S. N. Shah & Associates, Chartered Accountants (Firm Registration Number- 109782W) were appointed as Statutory Auditors of the Company at 12th Annual General Meeting ('AGM') held on 30th September, 2023 to hold the office of the Auditors up to the conclusion of the 14th Annual General Meeting (AGM of Financial year 2024-25).

The appointment term of five consecutive years of existing Auditor's firm has completed pursuant to Section 139(2) of the Companies Act, 2013. The Audit Committee and the Board of Directors at their respective meetings held on 04th August, 2025 recommended appointment of M/s. S N D K & Associates LLP, Chartered Accountants (Firm Reg. No. W100060) as the Statutory Auditors of the Company for a term of five years from the conclusion of 14th AGM till the conclusion of the 19th AGM (AGM of Financial year 2029-30), in place of retiring Auditors.

Profile of Auditor:

M/s. S N D K & Associates LLP is a practicing chartered accountancy firm offering a full spectrum of assurance, taxation, advisory, and compliance services to large corporates, SMEs, and unlisted as well as listed companies. Since its inception, the firm has built a reputation for technical excellence, timely delivery, and strict adherence to ICAI standards.

Basis of recommendation:

Considering the experience and knowledge of auditor the remuneration payable to the statutory auditors for the financial year 2025-26 has been fixed as ₹. 1,75,000/- plus applicable taxes and out of pocket expenses. The remuneration for the subsequent year(s) of their term shall be determined based on the recommendation of the Audit Committee and as mutually agreed between the Board of Directors of the Company and the Statutory Auditors. Considering the experience & expertise of the said firm the increase in remuneration from previous auditor is justified.

M/s. S N D K & Associates LLP, Chartered Accountants (Firm Reg. No. W100060), have consented to the said appointment and confirmed that their appointment, if made, would be within the limits specified under Section 141(3) (g) of the Act. They have further confirmed that they are not disqualified to be appointed as statutory auditors in terms of the provisions of the proviso to Section 139(1) and Section 141(3) of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014.

The Board of Directors recommends the ordinary resolution with or without modification as per item No. 3 of the accompanying notice for approval of the members of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise in the resolution as per item No. 3 of the notice.

ITEM NO. 4: TO RATIFY COST AUDITORS' REMUNERATION:

M/s. Anuj Aggarwal & Co., Cost Accountants, (FRN: 102409) has been appointed, on recommendation of the Audit Committee, as the Cost Auditor of the Company by the Board of Directors to conduct the cost audit of the cost records for the financial year ending on 31st March, 2026 at a remuneration of ₹. 25,000/-.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Companies (Audit and Auditor) Rules, 2014, the remuneration payable to the Cost Auditors recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the members of the Company.

Accordingly, consent of the members is sought for passing Ordinary Resolution as set out in the Item No. 4 of the notice for ratification of the remuneration of the Cost Auditor for the financial year ending on 31st March, 2026.

None of the Directors and Key Managerial Personnel of the Company and their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the Notice.

The Board accordingly recommends the Ordinary Resolution set out at Item No. 3 of the Notice for approval by the shareholders.

ITEM NO. 5: TO APPOINT SECRETARIAL AUDITOR OF THE COMPANY:

Pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2024 ("SEBI Listing Regulations"), on the basis of recommendation of Board of Directors, the Company shall appoint or re-appoint an individual as Secretarial Auditor for not more than one term of five consecutive years; or a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years, with the approval of the shareholders in Annual General Meeting ("AGM").

Based on the recommendation of the Audit Committee, the Board of Directors has approved the appointment of M/s. Umesh Ved & Associates (UVA), Company Secretaries in Practice, (Peer Review Number: 6564/2025), as the Secretarial Auditors of the Company for a period of five consecutive financial years from 2025-26 to 2029-30. The appointment is subject to shareholders approval at the AGM. While recommending UVA for appointment, the Audit Committee and the Board based on past audit experience of the audit firm particularly in

auditing large companies, valued various factors, including the firm's capability to handle a diverse and complex business environment, its existing experience in the various business segments, the clientele it serves, and its technical expertise.

Pursuant to Regulation 36(5) of SEBI Listing Regulations as amended, the credentials and terms of appointment of UVA are as under:

Profile:

Pending material litigations against our Company:

An application bearing Company Petition No. CP/19(AHM) of 2022 has been filed under sections 73(4) and 76(2) of the Companies Act, 2013 read along with Companies (Acceptance of Deposits) Rules, 2014 ("Application") by Mr. Mujlibhai Karamshibhai Patel and Mr. Sandipkumar Karamshibhai Patel (collectively, "Applicants") against our Company before the Hon'ble National Company Law Tribunal, Ahmedabad Bench at Ahmedabad ("NCLT"). The matter is relating to a dispute arising out of the deposit amounts ("Deposits") that are payable to the Applicants by our Company. The Applicants in the Application have prayed for payment of Deposits made by the Applicants amounting to ₹ 48.13 lakh along with interest on account of its default in repayment of amounts given as Deposits in the form of unsecured loan by the Applicants at an agreed rate of interest. Further, the Applicants alleged that since our Company had not replied to certain letters sent to it by the Applicants seeking repayment, the Applicants had filed a complaint under investor compliant form with the RoC for default in repayment of Deposits. Thereafter, the RoC had issued a notice dated July 31, 2020 ("Notice") to our Company in relation to the aforementioned complaint. The Applicants stated that since no reply was received by them from the RoC, the Applicant has filed the Application before the NCLT. However, our Company had duly sent a reply to the Notice on October 10, 2020 denying all the claims of the Applicants, including the receipt of Deposits from the Applicants, and the existence of any liability with respect to the repayment of any dues to the Applicants in view of a memorandum of understanding ("MoU") executed on May 1, 2016 by and between the promoters, shareholders, and past directors of our Company, including the Applicants on one part, and our Company, including the present shareholders and directors, on the other part. The MoU lays down certain terms and conditions pertaining to transfer of 100% shareholding of our Company from the past directors to the present directors of our Company. Through the MoU, the Applicants, being the erstwhile directors, had waived-off all past liabilities of our Company with respect to payment of dues except an amount of ₹11.75 Cr not attributable to the Applicants. The MoU further lays down that the liability with respect to all dues payable before the date of execution of the MoU (inclusive) would be that of the transferors of the shareholding, i.e., the past directors, including the Applicants themselves, who had resigned from the directorship of our Company before the execution of the MoU. The matter is presently pending.

ANNEXURE - A

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Developments:

A. Industry Structure:

TMT (Thermo-Mechanically Treated) bars are high-strength reinforcement steel used widely in construction industry due to their exceptional strength, ductility, and corrosion resistance. Manufactured through a process of quenching, selftempering, and atmospheric cooling, TMT bars feature a tough outer surface and a ductile core, making them ideal for earthquake-resistant structures. They offer superior weldability and cost- effectiveness by reducing the amount of steel needed. Commonly used in building frameworks, infrastructure projects, and reinforced concrete structures, TMT bars come in various grades (like Fe-415D, Fe-500D, Fe- 550D, Fe-600D) and sizes (6mm to 50mm in diameter), catering to diverse construction requirements.

TMT Size	Product Feature
8 MM	8 MM TMT bar is mainly used in construction industry. It is used for making rings which are attached or fitted in pillar structure and linter structure. It helps in providing the support to pillar structure or linter structure in the process of construction.
10 MM	10 MM & 12 MM TMT bars which are used for building up of roof top in RCC slab which is recommended for carrying heavy loads in many RCC structure such as columns, beams, slabs, cantilever, etc.
12 MM	
16 MM	16 MM TMT bar is mainly used for construction that is ground floor plus one and above. For such type of construction, 16mm TMT bars are recommended in order to bear the load of upper floors.
20 MM	20MM, 25 MM & 32 MM TMT bars are advised for bringing up the foundational work stronger, the thickness of such rods provides more grip that sustains the load of the upper floors. Such bars are taken up for construction of huge projects.

Global Steel Industry:

From 2020 to 2024, the global crude steel industry experienced a tumultuous period characterized by significant fluctuations. The compound annual growth rate (CAGR) during this period stood at a (-0.6%), underscoring the volatility and challenges faced by the sector. The COVID-19 pandemic in 2020 was a major disruptor, causing a notable decline in steel production as industries worldwide grappled with lockdowns and reduced economic activity. However, the industry demonstrated resilience with a sharp rebound of 4.1% in 2021 as economies began to recover. This recovery was short-lived, as 2022 saw a steep decline of -3.7%, indicating a persistent and underlying slowdown in the industry. In 2024, the global crude steel product again contracted by 2.8% after experiencing a flat 0.1% growth in the previous year.

a) Global Steel Production Trends:

China, the world's largest producer of crude steel, has played a pivotal role in shaping global production trends. China's steel industry benefits from abundant iron ore reserves and favorable labor policies, which provide a significant cost advantage. Despite facing tighter environmental regulations and policies aimed at reducing carbon emissions, China's share in global crude steel production remains around 54.7%. This dominance is bolstered by the country's extensive industrial base and continuous investments in infrastructure development.

India, the second-largest producer, has also been a key player in the global steel market. According to World Steel Association, gross production of crude steel in India stood at 149 million tonnes in 2024 marking a 6.3% increase over 2023. The country leverages its rich iron ore reserves and supportive government initiatives, such as the National Steel Policy 2017, to enhance its production capabilities. India's booming economy, with growing demand from sectors like construction, automobile manufacturing, and white goods production, further fuels its steel industry. The government's focus on infrastructure development and the 'Make in India' initiative has also contributed to increased domestic steel consumption.

Current Overview of Indian Steel Industry:

India, the second-largest crude steel producer, has also been a key player in the global steel market. As per the Ministry of Steel, India's crude steel production capacity has increased from 142.3 Mn tonnes in FY 2020 to 179.5 Mn Tonnes in FY 2024 (provision as per Ministry of Steel), registering a compounded annual growth of 6%. While its production has increased at CAGR of 7.2% between FY 2020-24 to reach 144.3 Mn tonnes. During Apr-October FY 2025, India's crude steel production observed 3.6% y-o-y growth and measured 85.4 Mn tonnes.

B. Industry Developments:

1. Union Budget 2023-24 Announcement & Steel:

- The budget included a continuation of the waiver on customs duty for ferrous scrap, raw materials used in manufacturing Cold Rolled Grain Oriented (CRGO) steel, and nickel cathode. This is seen as a positive step for steel manufacturers.

- The inclusion of “specialty steel” under the Production Linked Incentive (PLI) scheme was announced as a positive development for the industry. This scheme aims to provide financial incentives for domestic manufacturing of these specific steel products.
- Tariff rate of scrap of iron or steel is reduced to 2.5% from 5%. Therefore, once the exemption from duty on these scraps expire, the BCD rate shall operate through tariff.
- Rescinds anti-dumping or countervailing duty on following products of steel are revoked with effect from February 1, 2022:
 - Straight length Bars and Rod of alloy Steel from China PR,
 - High Speed Steel of Non-Cobalt Grade from China PR, Brazil, Germany.
 - Flat rolled products of steel (Al or Zinc coated) from China PR, Vietnam, and Korea RP.
 - Hot rolled and cold rolled stainless steel flat products (from China PR).

2. Increase in Railway Construction and Its Impact on TMT Bar Demand

From FY 2021 to FY 2026, the union budget has significantly ramped up its allocation toward railway sector. The total outlay provided for Capital Expenditure in Budget Estimate 2025-26 of INR 2,652 billion. The Gross Budgetary Support for Railways in FY 2025-26 stands at INR 2,520 billion, which has reduced in compare of previous year, however the budget has significantly rise from the level of INR 1,122 billion in FY 2021. The railway will continue to utilize the money in essential infrastructure projects like rail track expansion, rolling stock procurement, electrification, signaling improvements, and station modernisation. The Government also provided for INR 100 billion from extra budgetary resource to meet its expenses & modernize. The total outlay also includes Nirbhaya fund of INR 2 billion and INR 30 billion for internal resources.

Railway sector improvement is a major driver of TMT bar demand.

The expansion of railway networks increases the need TMT bars as railway bridges and stations require substantial amounts of TMT bars for reinforcing concrete beams, columns, and slabs to ensure stability and earthquake resistance. Indirectly, the growth in railway projects stimulates related sectors like logistics, warehousing, and manufacturing hubs near railway stations, further boosting the demand for TMT bars. Urbanization along railway lines also leads to the development of commercial buildings, residential complexes, and public infrastructure, all of which depend on TMT bars for reinforcement. Furthermore, specific types of railway projects, such as high-speed rail or dedicated freight corridors, may necessitate specialized TMT bars with higher strength or corrosion resistance, influencing the demand within the TMT bar market.

3. Airport Infrastructure in India

India has witnessed massive growth in air travel in the recent years, with annual rate of growth in air passengers trumping the growth rate in passengers carried by railways. India is today the third largest civil aviation market in the world, in terms of total number of air passengers carried per annum. The total passengers carried by Indian airlines has increased at CAGR of 2.5% increasing from 341.01 million in FY 2020 to 376.43 million in FY 2024 while during 9M FY 2025 it registered 8.7% y-o-y growth over the corresponding period last year (CPLY).

4. Residential Real Estate: Annual Sales & Launches

The Indian residential real estate sector has been witnessing a steady recovery since 2021. During 2024, 350,612 new residential units were launched across the top 8 cities, which was slightly lower (-0.04%) than the previous year level, however, sales volume continued to grow stronger to 372,936 units, registering y-o-y growth of 13.3%. Increased savings during lockdowns, minimal income disruptions for mid and high-income brackets, and a robust economic growth forecast have fueled demand in India’s residential real estate market. Additionally, the upward trend in house prices since 2021 has created a positive sentiment among prospective buyers, boosting sales. Between CY 2020-24, the new launches grew at a CAGR 24.4% while sales volume by 24.7% CAGR.

Opportunities and Threats:

Opportunities:

1. Infrastructure Growth:

- o Government focus on infrastructure (e.g., roads, bridges, railways, housing) boosts demand.
- o Initiatives like PM Gati Shakti, Bharatmala, Smart Cities in India are strong demand drivers.

2. Urbanization and Industrialization:

- o Rapid urban growth in emerging economies leads to increased consumption of steel in construction and manufacturing.

3. Make in India & PLI Schemes:

- o Policies encouraging domestic manufacturing and exports support steel producers.
- o The PLI scheme for specialty steel incentivizes innovation and value addition.

4. Automotive and Engineering Sectors:

- o Rising automotive demand (especially EVs) increases need for high-grade steel.
- o Machinery, shipbuilding, and defense also offer growing markets.

5. Green Steel and Technological Innovations:

- o Shift to low-carbon or hydrogen-based steel (green steel) opens new business lines and export opportunities.
- o Investment in automation and AI for predictive maintenance, quality control.

6. Export Potential:

- o Competitive pricing and growing global demand allow India to become a key exporter, especially to Southeast Asia, Africa, and Europe.

7. Raw Material Security via Integration:

- o Vertical integration by acquiring mines or beneficiation plants improves margins and supply chain stability.

Threats:

1. Raw Material Price Volatility:

- o Prices of iron ore, coking coal, and energy are highly volatile and impact margins.
- o Overdependence on imports for coking coal (especially from Australia) is a key concern for Indian players.

2. Environmental Regulations and ESG Pressure:

- o Steel is a major polluter—emission norms, carbon tax, and ESG pressures increase compliance costs.
- o Transitioning to green technologies requires significant capital investment.

3. Global Overcapacity and Dumping:

- o Excess capacity in China and other countries can lead to dumping, hurting domestic industry.
- o Trade wars and tariffs create uncertainty in global markets.

4. Substitute Materials:

- o Alternatives like aluminum, composites, and polymers are increasingly being used in automotive and packaging sectors.

5. Logistics and Infrastructure Bottlenecks:

- o High logistics costs in India due to poor multimodal connectivity and inefficient port handling.

6. Economic Cyclicalities:

- o Demand for steel is cyclical and sensitive to GDP growth, construction activity, and industrial performance.

7. Geopolitical Risks:

- o Conflict zones (Russia-Ukraine, Middle East) and shifting trade dynamics impact both exports and input prices.

Segment – wise or product – wise performance:

Segment Reporting as defined in Ind AS 108 is not applicable, since the Company operates in only one segment.

Outlook:

The Company was incorporated on 27th July, 2011. The Company is engaged in the business of manufacturing of rolled steel product i.e. TMT bars under the Kamdhenu brand catering mainly to the construction industry and for infrastructure development. The Company manufactures TMT bars from billets through reheating furnace and rolling mill. Your company have a history of more than 13 (Thirteen) years in manufacturing of TMT bars industry. Your company design and manufacture TMT bars and sell it on B2B Basis. The company's customer base is mainly spread across the State of Gujarat. Manufacturing plant of the company located in Survey No-48, Wankarner Boudry, Bhargam, National Highway 8-A, Wankaner, Rajkot, Wankaner, Gujarat-363621, India which is equipped with testing laboratories, workers' accommodation, canteen and well-connected transport facilities.

The manufacturing plant is located at Bhargam, Rajkot within the State of Gujarat. The manufacturing plant has infrastructure facilities such as power supply, roads, water supply etc. The manufacturing plant enjoys the good connectivity through roads which makes the

movements of the raw-material as well as finished goods easy and hassle free. Thus, it helps in smooth procurement of raw material from the various suppliers spread in the State of Gujarat and dispatch of finished goods to our various distributors and dealers located in the State of Gujarat.

The Company's growth is the result of rise in our share of business with existing customers, acquiring new customers and our ability to respond to emerging industry trends towards steel and iron industries. The Company intend to be a cost-efficient steel manufacturer and penetrate deeper in our regional market to capture a higher share of our existing markets, resulting in higher margins due to lower transportation costs of supplying to our local customers and better logistics management. We intend to strengthen our relationships with our existing customers and explore opportunities to grow by expanding the production capacities in the array of products that we offer to our customers. We have demonstrated the ability to grow, adapt and integrate in response to our customers' needs. We intend to leverage our relationships with existing customers to increase our wallet share and repeat business with them as well as new business, and potentially become a key vendor for such customers for specific products.

Risk and Concerns:

Company is facing competition from various small-scale manufacturers of industry. Manufacturing cost and administrative costs are also increasing day by day. But Company is equipped to meet the challenges by better marketing tactics and effective management of cost and expenses.

The Company is also required to follow and maintain the norms laid down by Gujarat Pollution Control Board (GPCB) for discharge of its effluents. The Company is adhering to the norms laid down by GPCB and has spent a large amount of funds on changing the old machinery and erecting new machines which adhere to the new stringent laws of GPCB.

Internal Control Systems and their adequacy:

The Company has an adequate system of Internal Control relating to purchase of stores, raw materials, plant & machineries, equipment's & various components and for the sale of goods commensurate with the size and nature of business of the Company.

The system of Internal Control of the Company is adequate keeping in mind the size and complexity of your Company's business. Systems are regularly reviewed to ensure effectiveness.

Operational Performance and Financial Performance:

Operational capacity of the Company is approx. 80% to 90% of installed capacity. Due to increasing in demand for our product and our factory being operated at its maximum operational efficiency. During Financial year 2023-24, Company has upgraded its furnace by replacing existing bricks with high quality brick which would help maintaining the high temperature. In addition to that the rolling section underwent an upgrade with the installation of more efficient machinery and high speed rolls which will enhance the movement of TMT Bars on rolling line. As a result of these two significant upgrades, the production plant was collectively non-operational for approximately one month. Financial preformation of the company discussed in the affairs of the company in Director's Report.

Material Developments in Human Resources / Industrial Relations:

The iron and steel industry is strength and durability driven, considering this aspect we continue to build our team with high quality talent. The Company is putting thrust on providing training both in-house and outside. The key personnel are technically qualified and fully trained to run TMT bar manufacturing mill.

The Company 158 number of people employed as on closure of Financial Year,

The Company maintains cordial & harmonious relation with its employees.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
ADITYA ULTRA STEEL LIMITED
RAJKOT.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS:

OPINION:

We have audited the accompanying financial statements of ADITYA ULTRA STEEL LIMITED, which comprise the Balance Sheet as at March 31, 2025 and the Statement of Profit and Loss and Cash Flow Statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit and cash flows for the year ended on that date.

BASIS FOR OPINION:

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined no matter to be key audit matters for the year which are required to be communicated in our report.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON:

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS:

The Company's Board of Directors is responsible for the matters in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by The Companies (Auditor's Report) Order, 2016 issued by The Central Government of India in term of section 143 (11) of The Companies Act, 2013, we enclose in the Annexure-A hereto a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable to the company.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss & Cash Flow Statement dealt with by this Report are in agreement with the books of account;

- d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013;
- f) With respect to the adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure-B; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statement. Refer note 31 to the financial statement;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility but the same has not been operated throughout the year for all relevant transactions recorded in the software.

 - According to the information and explanations given to us, the Company has not received any whistle-blower complaints from any party during the year.
- xii. As the company is not the Nidhi Company, clause (xii) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
- xiii. According to the information and explanations given to us, the company is in compliance with the provisions of sections 177 and 188 of the Companies Act, 2013, where applicable, for related party transactions and the details of related party transactions have been disclosed in the Notes to the Financial Statements in accordance with the applicable Accounting Standards.
- xiv. In respect of Internal Audit:
- In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - We have held discussions with the internal auditor of the Company for the year under audit and considered their opinion in determining the nature, timing and extent of our audit procedure.
- xv. According to the information and explanations given to us, the Company has not entered into any non-cash transaction with directors or persons connected with them and hence clause (xv) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it during the year.
- xvi. In respect of Registration Under Section 45-IA of the Reserve Bank of India Act, 1934/CIC
- As the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934), clause (xvi) (a) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
 - According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year and clause (xvi)(b) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
 - As the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
 - According to the information and explanations given to us, the company has no Core Investment Company (CIC) as part of its group, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
- xvii. According to the information and explanations given to us and on the basis of the examination of the records of the company, the company has not incurred cash losses in the financial year and in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause (xviii) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. As at balance sheet date, the Company does not have any amount remaining unspent under Section 135(5) of the Act. Accordingly, reporting under clause 3(xx)(a) and (b) of the Order is not applicable.

xxi. Company doesn't have subsidiaries or associate entities to prepare Consolidated Financial Statement. Accordingly, reporting under Paragraph 3(xxi) of the order is not applicable for the period.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

[REFERRED TO IN PARAGRAPH 2(f) UNDER “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE] FINANCIAL YEAR ENDED 31ST MARCH 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ADITYA ULTRA STEEL LIMITED (“the Company”) as of March 31, 2025 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming part of the Financial Statements

1 COMPANY INFORMATION

Aditya Ultra Steel Limited is a public limited company domiciled in India and incorporated under the provisions of Companies Act 1956. The company is engaged in the business of manufacturing and trading of steel products.

2 SIGNIFICANT ACCOUNTING POLICIES

a Basis of Preparation

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

b Use of Estimates

The preparation of financial statements in accordance with the GAAP requires management to make estimates and assumptions that may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relates.

c Property, Plant and Equipment

The Property Plant & Equipment are stated at cost of acquisition/construction (less Accumulated Depreciation, if any) except land. The cost of Property Plant & Equipment comprises of their purchase price including freight, duties, taxes or levies and directly attributable cost of bringing the assets to their working conditions for their intended use. The Company capitalizes its Property Plant & Equipment at a value net of GST received/receivable during the period in respect of eligible Capital Goods.

Subsequent expenditures on Property Plant & Equipment have been capitalised only if such expenditures increase the future benefits from the existing assets beyond their previously assessed standard of performance. The assets that are under construction/erection or not fully acquired and therefore not available for productive use are shown as "Capital Work in Progress" under Property Plant & Equipment and will be capitalized on completion of the construction/erection/acquisition activities.

d Intangible assets

The Intangible Assets of Accounting Software, Server Software, Website Development etc. have been recognised at their cost of acquisition. On the basis of the availability of these assets for their intended use, relevant contractual agreements and technological changes that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.

e Depreciation and amortization

The Depreciation on Property Plant & Equipment is provided on straight line method for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the Property Plant & Equipment as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013.

The amount of depreciation for the period has been derived by subtracting five per of the original cost of each of the assets as salvage value from the carrying amount respective assets as per the books of account as at the commencement of the year and the cost of acquisition in case of assets acquired during the period and such remaining carrying value or cost has been depreciated over the remaining years of useful life of assets.

Type of Assets	Useful Life
Buildings	30 Years
Plant and Equipment	15 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office equipment	5 Years
Computers	3 Years
Electrical Installations	10 Years
Furnace	20 Years

f Impairment of assets

At each balance sheet date, the management reviews the carrying amounts of its assets included in each cash generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is the higher of an asset's net selling

price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset. Reversal of impairment loss is recognised as income in the statement of profit and loss.

g Investment

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments, except for current maturities of long-term investments, comprising investments in mutual funds, government securities and bonds are stated at the lower of cost and fair value.

h Inventories

Raw materials are carried at the lower of cost and net realisable value. Cost is determined on a weighted average basis. Purchased goods-in-transit are carried at cost. Work-in-progress is carried at the lower of cost and net realisable value. Stores and spare parts are carried at lower of cost and net realisable value. Finished goods produced or purchased by the Company are carried at lower of cost and net realisable value. Cost includes direct material and labour cost and a proportion of manufacturing overheads.

The valuation for inventories is as follows;

Classification	Valuation Policy
Finished Goods	At lower of cost or net realizable value.
Raw Material	At lower of cost or net realizable value.
WIP	At Cost
Consumables	At Cost

i Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

j Revenue recognition

All income and expenses are accounted on accrual basis. The Company recognised Sale of Goods when it had transferred the property in Goods to the buyer for a price or all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched. Income from investments, where appropriate, is taken into revenue in full on declaration or accrual and tax deducted at source thereon is treated as advance tax.

k Employee Benefits

Post-employment benefit plans

Contributions to defined contribution retirement benefit schemes are recognised as expense when employees have rendered services entitling them to such benefits.

For defined benefit schemes, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in full in the statement of profit and loss for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, or amortised on a straight-line basis over the average period until the benefits become vested.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

Other employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service. These benefits include compensated absences such as paid annual leave, overseas social security contributions and performance incentives.

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit

obligation at the balance sheet date.

l Borrowing Cost

The borrowing costs incurred by the company during the period in connection with the borrowing of funds have been debited to the statement of profit and loss for the period.

m Foreign currency transactions

Income and expense in foreign currencies are converted at exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities other than net investments in non-integral foreign operations are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses are recognised in the statement of profit and loss. Exchange difference arising on a monetary item that, in substance, forms part of an enterprise's net investments in a non-integral foreign operation are accumulated in a foreign currency translation reserve.

n Taxation

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled.

Deferred tax expense or benefit is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

o Segment accounting

The dominant source of income of the company is from the sale of TMT Bars, Iron & other Steel Products which do not materially differ in respect of risk perception and the return realized/to be realized. Even the geographical environment in which the company operates does not materially differ considering the political and economic environment, the type of customers, assets employed and the risk and return associated in respect of each of the geographical area. So, the disclosure requirements pursuant to AS-17 –Segment Reporting issued by the ICAI are not applicable to the company.

p Earnings Per Shares

Basic earning per share is computed by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by taking into account the weighted average number of equity shares outstanding during the period and the weighted average number of equity shares which would be issued on conversion of all dilutive potential equity shares into equity shares.

q Prior Period Items

Prior Period expenses have been adjusted to the carrying amount of surplus of Statement of Profit & Loss.

r Provisions, Contingent liabilities and Contingent assets

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

Reasons for Variances

For Current Ratio - Increase in current ratio compared to previous year indicates the improvement in entity's short term liquidity.

For Debt Equity Ratio - Equity of the company has increased during the year due to which the ratio has improved as compared to the previous year.

For Return On Equity Ratio - Average Equity of shareholder has increased during the year benefit of which is yet to be realised by the company leading to reduction in ROE ratio.

For Trade Payable Turnover Ratio - It indicates that the company is getting higher credit from its suppliers during the year.

For Net Capital turnover ratio- Turnover of the company has not increased in the same proportion as increase in average working capital available with the company. This has led to reduction in Net Capital turnover ratio as at 31.03.2025.

For Return on capital Employed - The company has raised capital by the way of Initial Public offer for setting a new solar plant which is under development, due to this the capital employed is increased which has resulted in reduction in the ratio.
