Allied Digital Secures Landmark Rs.420+ Cr Contract for a Leading European Pharmaceutical Company

Mumbai, August 6, 2025 — Allied Digital Services Limited, a global provider of IT services and a Master System Integrator (MSI), has announced that it has been awarded a significant five-year, Rs.420 Cr contract by a leading European multinational pharmaceutical company and a marquee name in the global pharmaceutical industry. The agreement is set to transform the digital workplace for more than 120,000 employees spanning 66 countries across the Americas, Europe, and the Middle East.

This landmark win highlights Allied Digital's expanding global reach and expertise in delivering comprehensive digital workplace solutions. The scope of the contract includes an extensive suite of IT services, such as desktide and hardware support, management of collaboration and meeting room technologies, and audio-video platform support. The company will also provide Installation, Move, Add, and Change (IMAC) services for end-users and establish dedicated IT experience centers in key regions to enhance user satisfaction.

This strategic engagement will position Allied Digital as a key partner in modernizing the client's digital infrastructure and improving the overall employee experience on a global scale.

Mr. Nitin D Shah, CMD – Allied Digital commented, "

We are pleased to announce this landmark contract with a leading multinational pharmaceutical company. This prestigious engagement, valued at Rs.420+ Cr over five years, focuses on transforming the digital workplace for over 120,000 employees across 66 countries. It validates our global capabilities and highlights our expertise in delivering large-scale, complex and transformative projects, thereby solidifying our position as a trusted provider of enterprise-grade solutions.

About Allied Digital Services Limited-

We are a BSE/NSE-listed global leader in Information Technology consulting and services, established in 1984 and headquartered in Mumbai, India. As a global managed service provider and Master Systems Integrator, we deliver infrastructure solutions and services to clients across more than 70 countries. Our comprehensive service portfolio includes cloud enablement, cybersecurity, integrated solutions, infrastructure management, software services, and workplace solutions. Notably, we were the first Indian company to execute a Smart City project, delivering the Pune City Surveillance project in 2015. With a global workforce of over 3,000 professionals, supported by local teams and robust governance frameworks, we proudly serve numerous Fortune 500 companies worldwide.
