Key Business Developments

During the quarter, ADSL has booked orders for INR 166 + crores towards new wins as well as renewals for multi-year contracts. A few key wins include:

- Allied Digital has secured a multi-region workplace services engagement from a leading global deepwater oil and gas drilling company. Under the engagement, Allied Digital will deliver end-to-end workplace services for over 3,000 users across North America, Latin America, and Africa. The scope of services includes a 24x7 multilingual service desk with English and Spanish language support, onsite end-user support, and remote support services. The engagement reinforces Allied Digital's capabilities in delivering scalable, globally integrated managed workplace solutions across geographically diversified operations.
- Allied Digital has secured an order for the deployment of a city-wide Integrated Command & Control Centre (CCC) solution comprising command & control software, field network

infrastructure, associated ancillaries, and professional services. The scope includes end-to-end supply, integration, commissioning, and support services aimed at enabling centralized operations, real-time monitoring, and enhanced urban governance capabilities.

- Allied Digital has secured a managed services and annual support maintenance engagement from one of India's leading commercial vehicle manufacturers headquartered in Mumbai. The engagement further strengthens Allied Digital's presence in the automotive sector and underscores its capabilities in delivering integrated IT infrastructure and managed support services.
- Additionally, Allied Digital secured renewals of long-standing engagements with several existing clients across sectors including mining & metals, real estate, automotive manufacturing, BFSI, and medical devices, reflecting continued client confidence in the Company's service delivery capabilities, domain expertise, and long-term strategic partnerships.

Board Recommends Dividend

- The Board of Directors has recommended a dividend of Rs. 1.50 per equity share of face value Rs. 5 each.

Chairman's Message

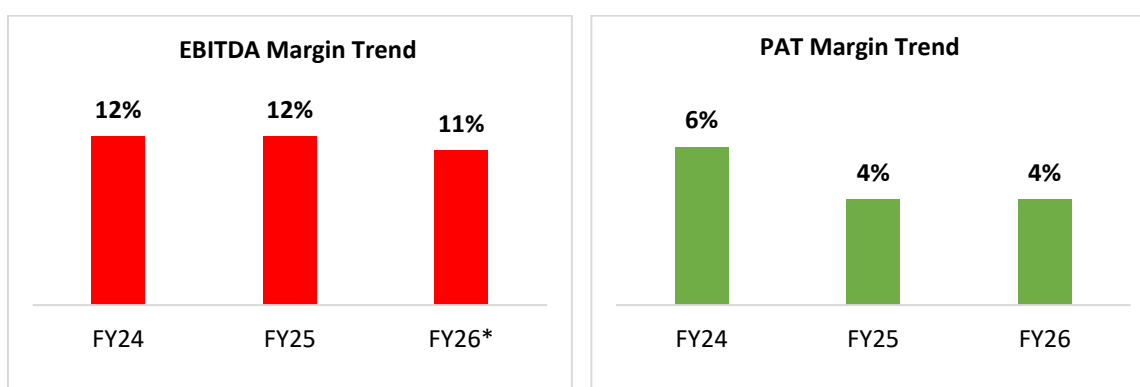

Commenting on the performance for Q4 FY26 Mr. Nitin D. Shah, Chairman & Managing Director, Allied Digital Services Limited (ADSL) said,

“We are delighted to report a strong performance in Q4 FY26, culminating in a record-breaking year as we reported our highest ever annual revenues in FY26. Achieving this milestone in a challenging operating environment reflects the resilience of our business model, the depth of our customer relationships, and our ability to remain relevant in a rapidly evolving technology landscape. Recognising the resilient performance, the Board of Directors have recommended a dividend of **30%** for FY26, which equates to INR 1.50 per share of face value of INR 5 each.

Having nearly achieved our milestone of ₹1,000 crore in annual revenues, we now look ahead to the next phase of Allied Digital's growth journey. Over the coming decade, we aspire to scale the business 10x, driven by disciplined execution, deeper global customer engagement, continued investments in AI-led digital transformation capabilities, and expansion across high-growth areas such as cloud, cybersecurity, digital infrastructure, and managed services.

While the journey ahead will require sustained innovation and agility, we believe the strong foundation we have built over the years positions us well to create enduring value for all stakeholders over the long term.”
