## Trade pacts opening up new opportunities: PM

PRESS TRUST OF INDIA  
New Delhi, January 24

PRIME MINISTER NARENDRA MODI Saturday said India is entering into trade and mobility agreements with various nations to create new opportunities for the youth both within the country and abroad.

Modi made these remarks at the 18th Razzgar Mela where he handed over 61,000

appointment letters for various government jobs virtually. These trade agreements are bringing new opportunities for the youth of the nation," Modi said, addressing the job fair at 45 locations across the country via video conferencing. Modi said India has the maximum number of youngsters in the world and his government was making efforts to create new opportunities for the youth within the country and

abroad. He urged the youth to work with the motto 'Nagrik Devo Bhava' (citizen to God).

The prime minister said in recent times, the government has made unprecedented investments in modern infrastructure, leading to increased employment across construction-related sectors. He said that India's startup ecosystem was expanding

rapidly, with nearly two lakh registered startups employing over 21 lakh youth.

Since its inception, more than 11 lakh recruitment letters have been issued through Razzgar Mela. The new appointees will be serving in the Ministry of Home Affairs, Ministry of Health and Family Welfare, Department of Financial Services, Department of Higher Education, among others.

Speaking to reporters here, the MP said he had informed the Congress leadership about his inability to attend a party meeting. He said that some reports about him might be true, while others could be false.
