In Q2 FY27, our Total Income stood at ₹ 5,910.44 Lakhs, with EBITDA at ₹ 1,642.83 Lakhs and Net Profit at ₹ 1,275.91 Lakhs. The quarter was supported by a healthy product mix, better utilisation of our integrated manufacturing facility, and continued focus on disciplined cost management.

During the quarter, we leased commercial space in New Delhi and expect operations there to commence in Q4 FY27, further expanding Rambhajo's presence in one of India's largest jewellery markets. With the festive and wedding season now underway, our order pipeline looks encouraging, and we are well equipped to cater to the seasonal demand for bridal and premium handcrafted jewellery.

Looking ahead, we remain focused on calibrated retail expansion, deeper engagement with our trade partners and gradually building our presence in international markets. With consumers increasingly preferring organised jewellery players, we are confident of sustaining our growth trajectory and creating long-term value for our shareholders”
