Agarwal Toughened Glass India Ltd Secures ₹7 Crore Order from Elite Window Factory, Jaipur

Jaipur, 21st July, 2025 – Agarwal Toughened Glass India Ltd. (ATGIL), a fast-emerging leader in value added manufacturing of various types of safety glass i.e. laminated glass, double glazed glass, insulated glass etc, is pleased to announce that the company has received a prestigious purchase order from **Elite Window Factory**, based in Jaipur, for the supply of **Double Glazed Unit (DGU) glasses**, a high-value segment in the architectural and construction glass industry.

The scope of the contract involves the supply of around **20,000 SQM** of value-added DGU glasses. The project is expected to be executed and completed by **November 30, 2025**.

This order not only underscores the company's commitment to quality and timely delivery but also reinforces its position as a trusted and preferred supplier in the value-added glass segment. Furthermore, it strengthens Agarwal Toughened Glass's footprint in the **premium real estate and infrastructure market of North India**, supporting its long-term growth trajectory in the architectural glass industry.

Management Commentary

Mrs. Anita Agarwal, Promoter, Chairperson & Managing Director of ATGIL, commented on this order: "We are delighted to announce this significant order from Elite Window Factory, Jaipur, which marks another milestone in our journey of delivering high-quality, value-added glass solutions. This ₹7 crore order for approximately 20,000 SQM of DGU glasses reinforces the trust and confidence our clients place in our capabilities, technology, and service reliability.

It also reflects our growing presence in the premium infrastructure and real estate segment, especially in North India. As we continue to focus on innovation, customer satisfaction, and operational excellence, such orders not only contribute to our top line but also validate our strategy of aligning with long-term, high-value partners."

About Agarwal Toughened Glass India Limited

Established in October 2009, **Agarwal Toughened Glass India Ltd. (ATGIL)** is a Company driven by strong promoter having the collective experience of over 35 years supported by professional team, a fast-emerging leader in the glass processing industry having state of art facility to manufacture various types of value-added safety glass i.e. laminated glass, double glazed glass, insulated glass.

ATGIL transforms standard float glass into high-performance, application-specific safety products, combining cutting-edge technology with over 35 years of domain expertise. As regulatory standards and design trends continue to evolve, ATGIL is well-positioned to deliver compliant, customized, and durable glass solutions to a rapidly growing customer base in India and beyond.

The company's diverse product portfolio engineered to meet the stringent requirements of modern architecture, offering solutions that prioritize safety, energy efficiency, and aesthetic appeal:

- **Toughened Glass**
- **Laminated Safety Glass**
- **Insulated Glass Units (IGUs)**
- **Heat-Soaked Glass**
- **Frosted and Double-Glazed Glass**

ATGIL caters primarily to the B2B segment, serving a wide array of industries including:

- **Government Buildings**
 - **Hospitality Sector**
 - **Commercial Real Estate Developers**
 - **Institutional Clients**
 - **Retail Chain**
- 

The company's manufacturing facilities are equipped with modernized equipment and are strategically located in the industrial hub of Jaipur, Rajasthan. These units are designed to handle large-scale production while adhering to international quality standards.

With a robust order book that includes large-scale projects across airports, hospitals, educational institutions, hospitality, and infrastructure, ATGIL is well-positioned to capitalize on India's rapid urbanization and infrastructure push.

ATGIL's commitment to quality is reflected in its rigorous testing protocols, which include human impact assessments, ball drop tests, design and visual inspections, annealing evaluations, and measurements of glass thickness and weight. This emphasis on quality assurance ensures that every product meets the highest safety and performance standards.

With a strong foundation, prowess in manufacturing, quality, and customer satisfaction, ATGIL is poised for continued growth and innovation in the glass industry.
