**Impact of Execution of the Agreements on the Company**

The execution of the above agreements is expected to have a **positive and long-term impact** on the Company's operations and business performance, *inter alia*, as follows:

- Enables the Company to **manufacture and sell multiple categories of glass products** under the **Saint-Gobain trademark**, thereby strengthening brand positioning and market reach.
- Access to **technical expertise, process improvement methodologies, and best practices** from SGIPL is expected to enhance operational efficiency, product quality, and consistency.
- Marketing and technical training support is expected to result in **better production planning, reduced wastage, and improved cost efficiencies**, leading to **margin improvement** over the medium to long term.
- Association with a globally recognized brand such as **Saint-Gobain** is expected to enhance customer confidence and contribute to **sustainable growth in sales volumes**.
- The agreements are aligned with the Company's long-term strategy of **capacity utilization improvement, product portfolio expansion, and value-added glass solutions**.
