Subject: Purchase and Installation of Machinery for Manufacturing Jumbo Size Glasses with Enhanced Capacity.

Ref: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015:

Dear Sir,

Pursuant to the provisions of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the Company has successfully purchased and installed new machinery for manufacturing jumbo size glasses with enhanced capacity.

Key details of the update are as follows:

1. **Nature of update:** Installation and commissioning of new machinery for manufacturing of jumbo size glasses.
2. **Objective:** To increase the production capacity of value-added glass and cater to growing market demand.
3. **Enhanced production capacity of value-added glass:** The upgraded machinery enables the Company to manufacture jumbo size glass with an approximate production capacity of 5 Lakhs SQM per annum.
4. **Status of machinery:** Installed and, following successful trial runs, is ready for commercial production as on date.
5. **Impact on business:** The enhanced capacity is expected to improve operational efficiency, broaden product offerings, and contribute positively to the Company's revenue growth.

Looking ahead, the Company is proactively exploring opportunities to diversify and expand its business footprint into new verticals, including sustainable growth, operational excellence, and innovation focused on customer satisfaction.

Our strategy for the forthcoming year focuses on three key priorities: scaling operations, expanding into new markets, and accelerating digital transformation. We are confident that these initiatives will drive sustainable growth and create lasting value for our shareholders.

We request you to kindly take the above information on record.
