Independent Auditor's Review Report on Consolidated Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of AGC Networks Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results ('Statement') of AGC Networks Limited ('the Company') and its subsidiaries (the Company and its subsidiaries together referred to as 'the Group'), (Refer Annexure 1 for the list of subsidiaries included in the Statement) for the quarter ended 31 December 2018 and the consolidated year to date financial results for the period 1 April 2018 to 31 December 2018, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. As stated in Note 6 to the statement, during the year ended 31 March 2015, the Company had recognised sale of a property, classified as fixed assets under previous GAAP, having carrying value of Rs. 0.74 crores, and recorded profit on such sale amounting Rs. 40.85 crores (net of incidental selling expenses amounting Rs. 3.04 crores). In our opinion, the significant risks and rewards of ownership of the said property were not transferred when such sale was recognised, and therefore, recognition of such sale and the accounting treatment followed by the Company were not in accordance with the principles of Indian Accounting Standard (Ind AS) 16, Property, Plant and Equipment.

Our reports on the statements for the quarter and nine-month period ended 31 December 2017 and previous year ended 31 March 2018 were also qualified in respect of the above matter.

AGC Networks Limited
Independent Auditor's Review Report on Consolidated Quarterly Financial Results and Year to Date Results
Quarter Ended 31 December 2018

During the quarter ended 30 September 2018, the said property was re-assigned to the Company by the buyer, and thereafter, significant risks and rewards in respect of the said property have been transferred to another buyer through a separate sale transaction for a consideration of Rs 23.51 crores. However, instead of recognition of sale of this property in accordance with the principles of Ind AS 16, Property, Plant and Equipment, the Company has recorded only the differential amount between the said consideration and balance receivable amounting Rs 22.40 crores from the earlier incorrectly recognised sale, as profit on sale of property, plant and equipment.

Had the Company followed the principles of Ind AS 16, and corrected the aforementioned errors relating to incorrect recognition of sale, in earlier year, of the said property in accordance with Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors, and subsequently recorded the sale of such property in the quarter ended 30 September 2018 as per the principles of Ind AS 16, exceptional item (income), representing gain on sale of property, plant and equipment, for the nine months ended 31 December 2018 would have been higher by Rs. 22.79 crores (year ended 31 March 2018: Nil, quarter ended 30 September 2018: Rs. 22.79 crores) while depreciation expense for the said period would have been higher by Rs. 0.02 crores (year ended 31 March 2018: Rs. 0.04 crores, quarter ended 30 September 2018: Rs.0.01 crores, quarter ended 31 December 2017: Rs. 0.01 crores and nine months ended 31 December 2017: Rs. 0.03 crores); The balance consideration receivable from the buyer in the first sale transaction amounting Rs. 22.40 crores would have been adjusted against opening balance of retained earnings as at 1 April 2017. The resulting impact on retained earnings as at 31 December 2018 would be Nil (31 March 2018: Rs. 37.58 crores).

Our report on the statement for the quarter ended 30 September 2018 was also qualified in respect of the above matter.

4. Based on our review conducted as above, except for the effects of the matter described in previous paragraphs, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, and other recognised accounting practices and policies has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's Review Report on Standalone Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of AGC Networks Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results ('Statement') of AGC Networks Limited ('the Company') for the quarter ended 31 December 2018 and the year to date financial results for the period 1 April 2018 to 31 December 2018, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. As stated in Note 6 to the statement, during the year ended 31 March 2015, the Company had recognised sale of a property, classified as fixed assets under previous GAAP, having carrying value of Rs. 0.74 crores, and recorded profit on such sale amounting Rs. 40.85 crores (net of incidental selling expenses amounting Rs. 3.04 crores). In our opinion, the significant risks and rewards of ownership of the said property were not transferred when such sale was recognised, and therefore, recognition of such sale and the accounting treatment followed by the Company were not in accordance with the principles of Indian Accounting Standard (Ind AS) 16, Property, Plant and Equipment.

Our reports on the statements for the quarter and nine-month period ended 31 December 2017 and previous year ended 31 March 2018 were also qualified in respect of the above matter.

AGC Networks Limited

Independent Auditor's Review Report on Standalone Quarterly Financial Results and Year to Date Results Quarter Ended 31 December 2018

During the quarter ended 30 September 2018, the said property was re-assigned to the Company by the buyer, and thereafter, significant risks and rewards in respect of the said property have been transferred to another buyer through a separate sale transaction for a consideration of Rs 23.51 crores. However, instead of recognition of sale of this property in accordance with the principles of Ind AS 16, Property, Plant and Equipment, the Company has recorded only the differential amount between the said consideration and balance receivable amounting Rs 22.40 crores from the earlier incorrectly recognised sale, as profit on sale of property, plant and equipment.

Had the Company followed the principles of Ind AS 16, and corrected the aforementioned errors relating to incorrect recognition of sale, in earlier year, of the said property in accordance with Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors, and subsequently recorded the sale of such property in the quarter ended 30 September 2018 as per the principles of Ind AS 16, exceptional item (income), representing gain on sale of property, plant and equipment, for the nine months ended 31 December 2018 would have been higher by Rs. 22.79 crores (year ended 31 March 2018: Nil, quarter ended 30 September 2018: Rs. 22.79 crores) while depreciation expense for the said period would have been higher by Rs. 0.02 crores (year ended 31 March 2018: Rs. 0.04 crores, quarter ended 30 September 2018: Rs.0.01 crores, quarter ended 31 December 2017: Rs. 0.01 crores and nine months ended 31 December 2017: Rs. 0.03 crores); The balance consideration receivable from the buyer in the first sale transaction amounting Rs. 22.40 crores would have been adjusted against opening balance of retained earnings as at 1 April 2017. The resulting impact on retained earnings as at 31 December 2018 would be Nil (31 March 2018: Rs. 37.58 crores).

Our report on the statement for the quarter ended 30 September 2018 was also qualified in respect of the above matter.

4. Based on our review conducted as above, except for the effects of the matter described in previous paragraphs, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, and other recognised accounting practices and policies has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.
