Respected Sir/Madam,

This is with the reference to your query through e mail dated Dec 09,2022 in which you have sought reasons for: -

Clarification No. 1: -Standalone: Segment Reporting - Not found

Answer: - There is only one segment which is “execution of turn-key Solar PV Power Plant projects” including Design, Engineering, Supply, Installation & Commissioning (I&C) and Maintenance, for both Stand-alone and Grid Connected PV Systems from the conceptualization to completion stages.

We request you as there is only one segment therefore no segmental reporting is required.

Clarification No. 2: - Standalone: Financial Results (P&L) - SEBI Compliance - Previous half year (March 2022) figures not provided.

Answer: - In this connection we would like to inform you that we have downloaded the Non Ind AS (SME) excel utility and there was no column to provide data for the previous half year (March 2022).

Thanking You,
For, Agni Green Power Limited
