Independent Auditors' Report on the Quarterly and Annual Audited Standalone Financial Results of the Company Pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

TO THE BOARD OF DIRECTORS OF
HFCL Limited

Report on the Audit of the Standalone Financial Results

Opinion

We have audited the accompanying statement of quarterly and annual standalone financial results of **HFCL Limited** (the "Company") for the quarter ended March 31, 2026 and for the year ended March 31, 2026 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i) is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards ("Ind AS") and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter and year ended March 31, 2026.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors' Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable Indian accounting standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Statement includes the results for the quarter ended March 31, 2026 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2026 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its jointly controlled entities to cease to continue as a going concern.

Record Performance Driven by Improving Business Mix

HFCL's record financial performance in FY26 highlights the strength of its operating model and the disciplined execution of its strategic priorities. During the quarter, the Company delivered over 50% revenue growth sequentially, alongside a healthy expansion in EBITDA margin.

This improvement was driven by a favourable shift in revenue mix towards products, an increasing share of exports, and improved realisations in high fiber-count optical fiber cables.

Global Optical Fiber Upcycle and Export Momentum

The global optical fiber industry is undergoing a structural upcycle, supported by rising investments in hyperscale data centres, artificial intelligence workloads, and cloud infrastructure. This has led to strong global demand for high-performance optical fiber cable solutions.

HFCL continues to see robust growth in its performance with increased demand from United States, Europe and Asia, aided by growing customer acceptance of HFCL's products and strong execution capabilities. This momentum is further reinforced by the Company's highest-ever optical fiber cable (OFC) order book of ₹13,483 crore.

HFCL through its subsidiary, HTL Limited is substantially expanding its manufacturing capacities for data centre interconnect solutions which will also contribute significantly in the growth of revenue and profitability in coming quarters. It is expected that data centre interconnect solutions will contribute about Rs.400 crore additional revenue in FY26-27 and about Rs.800 crore in FY27-28.

Backward Integration to Drive Margin Expansion

As part of its long-term strategy to enhance structural competitiveness, HFCL has decided to set up preform manufacturing facility as high level backward integration, involving an estimated capital outlay of approximately ₹580 crore.

This backward integration initiative is expected to serve as a key margin expansion lever by reducing import dependence, improving supply chain security and enhancing cost efficiencies. As global demand scales, this initiative will play a critical role in cost reduction sustained profitability and reinforcing HFCL's competitive positioning.

Strategic Defence & Aerospace Platform – A Transformational Step

In a significant strategic move, HFCL has entered into a MoU to participate in defence aerospace-related opportunities. The aerospace business being acquired operates in a high-entry-barrier segment, characterised by stringent qualification requirements, high precision engineering, long approval cycles, and a limited global supplier base.

Importantly, the business comes with established capabilities, certifications, long-standing customer relationships, and a confirmed export-oriented order book of approximately ₹1,930 crore, providing immediate revenue visibility.

In parallel, HFCL's land-based defence business is entering a strong scale-up phase, supported by increasing product maturity, ongoing field trials, and rising order inflows across thermal weapon sights, radars, and tactical communication systems.

Additionally, the Company is progressing with the establishment of an ammunition-focused manufacturing facility in Andhra Pradesh, covering products such as electronic fuzes, multi-mode hand grenades, and 155 mm artillery shells, further strengthening HFCL's position in the defence manufacturing ecosystem.

Commenting on the performance, **Mr. Mahendra Nahata, Managing Director, HFCL, said** "FY26 has been a defining year for HFCL, during which we delivered our highest-ever performance, achieving over 21% YoY revenue growth and ~97% YoY PBT growth.

Looking ahead, we strongly believe that HFCL is entering a structurally stronger and more predictable growth phase. We are witnessing not only a substantial expansion in our order book but also improvement in its quality, with a higher share of exports, long-term contracts, and high-margin products.

Our strategic initiatives, backward integration into optical fiber preform, expansion in defence sector, growing global footprint, and a strong focus on product-led growth are building a powerful foundation for sustained margin expansion and improved returns.

HFCL has transformed into a more global, technology-driven, diversified, and structurally profitable enterprise, which we believe will drive consistent earnings growth in the years ahead. We believe the strong momentum witnessed in Q4FY26 will continue in coming quarters."
