Further vide NCLT order copy dated June 28, 2019 pursuant to Section 17 of the IBC, the powers of the Board of Directors stand suspended, and such powers vest with the Interim Resolution Professional, Mr. Kashyap Vaidya whose appointment was subsequently confirmed by the Committee of creditors (CoC) as the Resolution Professional (the "RP"). Post which, the Adjudicating Authority ordered the Liquidation of the Corporate Person vide its order dated October 05, 2020 and appointed Mr. Bhavesh Rathod as the Liquidator having Registration No. IBBI/IPA-001/IPP01200/2018-19/11910. Thus, the Liquidation Process has commenced w.e.f. October 05, 2020 as per the provisions of the Code and Liquidation Regulations.

The Liquidator had conducted e-auction on 21st December, 2024 to sale the Company as a whole on "as is where is basis". Under the e-auction process conducted on 21st December, 2024, M/s. Grow House Agro Limited has been declared as Successful Bidder for Asset Category 1 i.e. NSE & BSE Listed Company wherein the successful bidder agreed with the Terms and Conditions mentioned under the Auction Process information document and participated in the e-auction with the Earnest Money Deposit of Rs.2,13,00,000/-. Grow House Agro Limited as the Successful Bidder on 23.12.2024 in terms of the Auction Process Document dated 23rd November, 2024. As per the Sale Certificate dated 01st March, 2025 the successful bidder had nominated new Board of Directors of the Company.

These events or conditions, along with other matters as set forth in the said note and other notes in the "Basis of disclaimer of opinion" para above, indicate the existence of multiple uncertainties that are significant to the financial statements as a whole and cast a significant doubt on the Company's ability to continue as a going concern.

As on the reporting date, the Company was undergoing proceedings under the Corporate Insolvency Resolution Process (CIRP) in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016 ('the Code') and the regulations framed thereunder. In accordance with the directions of the Resolution Professional and the Committee of Creditors (CoC), the Company has continued to operate as a going concern. Pending final completion of the liquidation process under the Code, the financial statements for the quarter ended 30th June 2023 have been prepared on a going concern basis.

N.K. Sarraf & Associates

Chartered Accountants

The following valuation reports have been considered for determining the liquidation value of PPE For Land and Building:

- Mr. Rajendra Tithe – Valuation Report dated 7th February 2023

- Mr. A.V. Shetty – Valuation Report dated 9th February 2023

For Plant and Machinery:

- Mr. Kunal Vikamsey – Valuation Report dated 14th February 2023

These reports provide the estimated liquidation values of the respective assets as of the dates mentioned. The values have been further depreciated using the straight-line method (or as otherwise applicable) for the financial years 2023–24 and 2024–25 to reflect expected wear and usage over the intervening period.

No depreciation has been charged for FY 2022–23, based on the premise that the liquidation values already factored in the physical condition and usage of the assets up to that point in time.

We further note that the above valuation reports were received by the auditors subsequent to the finalisation and signing of the financial statements for FY 2022–23 and FY 2023–24. Accordingly, the impact of such revaluation has been recognised and accounted for in the financial statements of FY 2024–25 based solely on the said valuation reports.

25. Cash & Cash Equivalents have been considered solely in respect of the Central Bank of India Account No. 3863312734, including any Fixed Deposits made through this account. This classification is based on verbal representations from the management that this is the only operative bank account as on date.

Other bank balances and Fixed Deposits, if any, have been grouped under "Current Assets" as carried forward from previous years. No independent verification has been conducted regarding the existence or operation of such accounts as of the current reporting date. This note is based on the information and explanations provided by the management and is subject to further confirmation or disclosure, if any.

Conclusion

In view of the significance of the matters described in paragraph above, including the pervasive nature of the information not made available to us and the uncertainties involved, we have not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion.

Accordingly, we do not express an opinion on the accompanying financial statements of the Company.

In our view, due to the significance of the matters noted, the financial statements have not been prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India, and may contain material misstatements.

N.K. Sarraf & Associates

Chartered Accountants

The following valuation reports have been considered for determining the liquidation value of PPE:

For Land and Building:

* Mr. Rajendra Tithe – Valuation Report dated 7th February 2023

* Mr. A.V. Shetty – Valuation Report dated 9th February 2023

For Plant and Machinery:

* Mr. Kunal Vikamsey – Valuation Report dated 14th February 2023

The values have been further depreciated using the straight-line method (or as otherwise applicable) for the financial years 2023–24 and 2024–25 to reflect expected wear and usage over the intervening period. No depreciation has been charged for FY 2022–23, based on the premise that the liquidation values already factored in the physical condition and usage of the assets up to that point in time.

We further note that the above valuation reports were received by the auditors subsequent to the finalisation and signing of the financial statements for FY 2022–23 and FY 2023–24. Accordingly, the impact of such revaluation has been recognised and accounted for in the financial statements of FY 2024–25 based solely on the said valuation reports.

25. Cash & Cash Equivalents have been considered solely in respect of the Central Bank of India Account No. 3863312734, including any Fixed Deposits made through this account. This classification is based on verbal representations from the management that this is the only operative bank account as on date.

Other bank balances and Fixed Deposits, if any, have been grouped under "Current Assets" as carried forward from previous years. No independent verification has been conducted regarding the existence or operation of such accounts as of the current reporting date. This note is based on the information and explanations provided by the management and is subject to further confirmation or disclosure, if any.

Conclusion

In view of the significance of the matters described in paragraph above, including the pervasive nature of the information not made available to us and the uncertainties involved, we have not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion.

Accordingly, we do not express an opinion on the accompanying financial statements of the Company.

In our view, due to the significance of the matters noted, the financial statements have not been prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India, and may contain material misstatements.

Chartered Accountants

The following valuation reports have been considered for determining the liquidation value of PPE:
For Land and Building:

* Mr. Rajendra Tithe – Valuation Report dated 7th February 2023

* Mr. A.V. Shetty – Valuation Report dated 9th February 2023

For Plant and Machinery:

* Mr. Kunal Vikamsey – Valuation Report dated 14th February 2023

These reports provide the estimated liquidation values of the respective assets as of the dates mentioned. The values have been further depreciated using the straight-line method (or as otherwise applicable) for the financial years 2023–24 and 2024–25 to reflect expected wear and usage over the intervening period.

No depreciation has been charged for FY 2022–23, based on the premise that the liquidation values already factored in the physical condition and usage of the assets up to that point in time.

We further note that the above valuation reports were received by the auditors subsequent to the finalisation and signing of the financial statements for FY 2022–23 and FY 2023–24. Accordingly, the impact of such revaluation has been recognised and accounted for in the financial statements of FY 2024–25 based solely on the said valuation reports.

25. Cash & Cash Equivalents have been considered solely in respect of the Central Bank of India Account No. 3863312734, including any Fixed Deposits made through this account. This classification is based on verbal representations from the management that this is the only operative bank account as on date.

Other bank balances and Fixed Deposits, if any, have been grouped under "Current Assets" as carried forward from previous years. No independent verification has been conducted regarding the existence or operation of such accounts as of the current reporting date. This note is based on the information and explanations provided by the management and is subject to further confirmation or disclosure, if any.

Conclusion

In view of the significance of the matters described in paragraph above, including the pervasive nature of the information not made available to us and the uncertainties involved, we have not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion.

Accordingly, we do not express an opinion on the accompanying financial statements of the Company.

In our view, due to the significance of the matters noted, the financial statements have not been prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India, and may contain material misstatements.

Emphasis of Matter

On June 28, 2019 the Hon'ble National Company Law Tribunal (NCLT) had admitted the petition for initiating the Corporate Insolvency Resolution (CIR) Process under the provisions of the Insolvency Bankruptcy Code, 2016 (IBC). Further vide NCLT order copy dated June 28, 2019

N.K. Sarraf & Associates

Chartered Accountants

pursuant to Section 17 of the IBC, the powers of the Board of Directors stand suspended, and such powers vest with the Interim Resolution Professional, Mr. Kashyap Vaidya whose appointment was subsequently confirmed by the Committee of creditors (CoC) as the Resolution Professional (the "RP"). Post which, the Adjudicating Authority ordered the Liquidation of the Corporate Person vide its order dated October 05, 2020 and appointed Mr. Bhavesh Rathod as the Liquidator having Registration No. IBBI/IPA-001/IPPO1200/2018-19/11910. Thus, the Liquidation Process has commenced w.e.f. October 05, 2020 as per the provisions of the Code and Liquidation Regulations.

The Liquidator had conducted e-auction on 21st December, 2024 to sale the Company as a whole on "as is where is basis". Under the e-auction process conducted on 21st December, 2024, M/s. Grow House Agro Limited has been declared as Successful Bidder for Asset Category 1 i.e. NSE & BSE Listed Company wherein the successful bidder agreed with the Terms and Conditions mentioned under the Auction Process information document and participated in the e-auction with the Earnest Money Deposit of Rs.2,13,00,000/-. Thereafter, pursuant to the culmination of the e-auction process, and the bids/financial proposal received from various participants in the said auction process, the Liquidator declared the Buyer i.e., M/s. Grow House Agro Limited as the Successful Bidder on 23.12.2024 in terms of the Auction Process Document dated 23rd November, 2024. Liquidator after confirming the receipt of the entire Total Consideration including interest from the Successful Bidder issued Sale certificate dated 01st March, 2025.

As per the Sale Certificate dated 01st March, 2025 the successful bidder had nominated new Board of Directors of the Company.

These events or conditions, along with other matters as set forth in the said note and other notes in the "Basis of disclaimer of opinion" para above, indicate the existence of multiple uncertainties that are significant to the financial statements as a whole and cast a significant doubt on the Company's ability to continue as a going concern.

As on the reporting date, the Company was undergoing proceedings under the Corporate Insolvency Resolution Process (CIRP) in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016 ('the Code') and the regulations framed thereunder. In accordance with the directions of the Resolution Professional and the Committee of Creditors (CoC), the Company has continued to operate as a going concern. Pending final completion of the liquidation process under the Code, the financial statements for the quarter ended 31st December 2024 have been prepared on a going concern basis.

Pursuant to commencement of CIRP of the company under Insolvency and Bankruptcy Code, 2016, there are various claims submitted by the financial creditors whether secured and unsecured, operational creditors, employees and other creditors to the RP. The overall obligations and Liabilities including interest on loans and the principal amount of loans shall be determined during the CIRP. During CIRP period, no accounting impact in the books of accounts has been made in respect of differences, if any, in the Claims filed by operational and other financial creditors.

N.K. Sarraf & Associates

Hence, consequential impact, if any, is currently not ascertainable and we are unable to comment on the accounting treatment of possible financial impact of the same.

For Land and Building:

N.K. Sarraf & Associates

Chartered Accountants

* Mr. Rajendra Tithe – Valuation Report dated 7th February 2023

* Mr. A.V. Shetty – Valuation Report dated 9th February 2023

For Plant and Machinery:

* Mr. Kunal Vikamsey – Valuation Report dated 14th February 2023

These reports provide the estimated liquidation values of the respective assets as of the dates mentioned. The values have been further depreciated using the straight-line method (or as otherwise applicable) for the financial years 2023–24 and 2024–25 to reflect expected wear and usage over the intervening period. No depreciation has been charged for FY 2022–23, based on the premise that the liquidation values already factored in the physical condition and usage of the assets up to that point in time.

We further note that the above valuation reports were received by the auditors subsequent to the finalisation and signing of the financial statements for FY 2022–23 and FY 2023–24. Accordingly, the impact of such revaluation has been recognised and accounted for in the financial statements of FY 2024–25 based solely on the said valuation reports.

25. Cash & Cash Equivalents have been considered solely in respect of the Central Bank of India Account No. 3863312734, including any Fixed Deposits made through this account. This classification is based on verbal representations from the management that this is the only operative bank account as on date.

Other bank balances and Fixed Deposits, if any, have been grouped under "Current Assets" as carried forward from previous years. No independent verification has been conducted regarding the existence or operation of such accounts as of the current reporting date. This note is based on the information and explanations provided by the management and is subject to further confirmation or disclosure, if any.

26. The Company has been sold in its entirety to *Grow House Agro Limited* during the financial year 2024–25 for a total consideration of ₹21.30 Crores. As per the information provided, an amount of ₹10.45 Lakhs has been recognized as interest income in the financial statements, arising from delay in receipt of sale consideration.

However, we were unable to obtain and verify adequate supporting documents and confirmations with respect to the terms of sale, transaction details, and the basis of interest computation due to non-availability of requisite documentation and management representation. Accordingly, we are unable to comment on the accuracy, completeness, and presentation of the said transaction and related interest income in the financial statements.

Conclusion

In view of the significance of the matters described in paragraph above, including the pervasive nature of the information not made available to us and the uncertainties involved, we have not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion.

Accordingly, we do not express an opinion on the accompanying financial statements of the Company.

In our view, due to the significance of the matters noted, the financial statements have not been prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India, and may contain material misstatements.
