Finance Minister Nirmala Sitharaman meets World Bank Group President Ajay Banga at the G20 Finance Ministers and Central Bank Governors (FMCBG) meeting, in Asheville on Tuesday

FE BUREAU
New Delhi, September 2

FINANCE MINISTER NIRMALA Sitharaman met IMF Managing Director Kristalina Georgieva and World Bank President Ajay Banga on the sidelines of the G20 Finance Ministers and Central Bank Governors meeting in Asheville, discussing India's growth, global economic outlook and development priorities.

Sitharaman's meeting with Georgieva focused on the global economic outlook, India's evolving growth trajectory and the structural shifts underway in the Indian economy.

According to a post by the Ministry of Finance on 'X', Georgieva appreciated India's strong economic performance and track record, while noting the strength built by the Indian economy.

The discussions also underlined the need to appropriately reflect India's structural transformation in macroeconomic

assessments and growth projections. Sitharaman highlighted India's strong macroeconomic fundamentals and stressed the importance of robust, evidence-based surveillance frameworks that adequately capture structural changes in emerging markets and developing economies (EMDEs).

The two sides also discussed the IMF's capacity development initiatives, including efforts to strengthen institutional capacity, macroeconomic policymaking and statistical systems in EMDEs.

Both leaders emphasised continued India-IMF engagement to enhance analytical capabilities, support sound macroeconomic policies and

contribute to global economic resilience, the ministry said. In her separate meeting with World Bank President Ajay Banga, Sitharaman appreciated the World Bank Group's continued engagement with India and acknowledged the speedy processing of \$1.5 billion in Development Policy Financing (DPF).

She also appreciated the International Finance Corporation's support to micro, small and medium enterprises through SIDBI, which was processed in record time and has had a positive impact on the MSME sector, according to the ministry's post on 'X'.

Sitharaman and Banga discussed further strengthening the India-World Bank Group partnership, including a larger role for the Multilateral Investment Guarantee Agency (MIGA) in India.

The proposal seeks to deepen corporate, infrastructure and municipal bond markets through systematic use of guarantees.

Disruption at Mundra Port deepens trade strain amid West Asia crisis

NANDINI OZA
Ahmedabad, September 2

AT A TIME when India's trade flows have been adversely affected due to the West Asia conflict, with shipping routes disrupted, containers in short supply, and freight costs surging, a fresh disruption has emerged at Mundra, the country's busiest private port.

An operational issue has escalated into a strike by empty-container yard operators, putting nearly 5,000 containers a day at risk of being held up and adding another layer of uncertainty to an already strained export-import supply chain.

The immediate trigger is a decision by Adani Ports and Special Economic Zone (APSEZ) to freeze empty yard codes located outside the port/SEZ limits from September 1. The port is controlled by APSEZ. Shipping lines would instead have to nominate empty containers to designated depots within the Mundra SEZ.

In a circular issued by Adani Ports and Logistics on August 21, the company said the move is aimed at reducing road congestion, improving vehicle turnaround, and strengthening safety and security, besides addressing what it describes as misuse of empty-depot codes.

It highlighted that instances of misuse of the empty depot codes were brought to its notice.

In a reaction to the decision, the Mundra Empty Container Yards & Allied Services Provider Association (MECYASA) went on strike, affecting the return of empty import containers and availability of empty containers for factory stuffing.

The operators have said that it

threatens the viability of their business.

From midnight on September 1, Kandla Mundra Container Transport Association (KMCTA) will extend support to the empty yard. In a trade notice issued on Monday, it said that containers will not be picked up by the Association members. It further said that their members would keep their vehicles off the road voluntarily.

Sources in the know of the developments said the situation can snowball into a larger problem if the strike continues even for a few days.

"The effect will be seen in the next couple of days as the transporters go on strike. Import and export will be affected. The empty yards within the SEZ can cater to only 20% of the business," said Bhagirathsinh Jadeja, president of KMCTA.

Chandra contests NCLT order

PATRA ARGUED THE orders of Ashok Kumar Bhardwaj and Sharma were broadly aligned on the repayment plan and eligibility under Section 79 of the Insolvency and Bankruptcy Code (IBC). He said the provisions for resolving differences between NCLT members did not empower the tribunal to constitute a five-member bench. Solicitor General Tushar Mehta, appearing for dissenting creditors including LIC Housing Finance, Canara Bank and Union Bank, backed the larger bench, saying the case had produced three divergent views and presented 'very peculiar circumstances'. Mehta initially sought disposal of the appeal against Sharma's order, with liberty to revive it if the constitution of the larger bench was challenged separately. Patra opposed the move, arguing that the five-member bench should have stayed all three orders. The NCLAT, headed by Officiating Chairperson Justice Yogesh Khanna, said the constitution of the five-member NCLT bench was not directly before it. The tribunal also declined to allow Chandra to challenge the constitution separately while

keeping the current appeal pending. The hearing also saw a sharp exchange over public commentary surrounding the ₹6.5-crore repayment proposal. Patra said Chandra had faced widespread criticism despite there being no final order approving the plan. Mehta objected, saying the appellate forum should not be used for statements intended to influence media coverage. The NCLAT agreed and said any grievance should be raised before the NCLT, where the substantive proceedings remain pending. Mehta later withdrew his request to dispose of the appeals. The NCLAT allowed them to remain pending and listed the matter for October 7, 2026.
