

Ajooni Biotech Receives Export Order from Avon Animal Health, Bangladesh (One of the leading company of Bangladesh)

April 22, 2024: – Ajooni Biotech Limited is pleased to announce the ongoing collaboration with Avon Animal Health, one of the leading companies in Dhaka, Bangladesh. Recognized for its dedication to delivering high-quality animal health products and educating farmers on their efficacy, Avon Animal Health has expressed interest in purchasing Ajooni’s cattle feed supplements.

AVON Animal Health is a leading importer, trader, and distributor of high-quality animal health products in Bangladesh. Specialized in sourcing and promoting effective products for local farmers, serving major breeding companies, commercial farms, and retail operators.

Ajooni Biotech is delighted to receive their second order from Avon Animal Health, marking a significant milestone in their partnership. This opportunity allows them to expand their export operations to include key cattle feed supplements such as Calcium, Mineral Mixture, Molasweet, and Rumesin to Avon Animal Health and other clients in Asian countries.

As the company navigates the international market, they are confident that their collaboration with Avon Animal Health and other partners will contribute to shared success. Ajooni remains committed to fostering enduring relationships and providing top-notch products to meet the needs of esteemed clientele.

About Ajooni Biotech Limited

Ajooni Biotech Limited is a PURE VEG. animal health care solutions company. It stands as a trailblazer, innovator, and frontrunner in the realm of animal feed production, prioritizing excellence in quality, safety, and production innovation, along with a commitment to delivering exceptional customer service.

With a comprehensive feed range, AJOONI has emerged as a significant player in the animal feed and aquaculture sectors. Opting for AJOONI signifies partnering with a responsive, attentive ally boasting extensive experience and a nuanced understanding of the intricate dynamics within the livestock market.

AJOONI's primary objective revolves around optimizing productivity, meeting animals' nutritional requirements comprehensively, and attaining an optimal dietary balance.

AJOONI aims to be a steadfast ally to farmers, with our team of experts offering their wealth of knowledge and years of experience to devise tailored diet programs and provide optimal recommendations for the sustained growth and advancement of livestock. Godrej Agrovet is the one of the listed nearest competitor in the listed space for Ajooni Biotech Limited which gives it an edge for exponential growth in its products offerings.
