Auditor's Report On Consolidated Year to Date Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
Board of Directors of
Alankit Limited

We have audited the accompanying statement of consolidated year to date financial results of Alankit Limited ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group") for the period 1st April 2018 to 31st March 2019 ("the Statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated 5th July 2016.

These consolidated year to date financial results have been prepared on the basis of the annual consolidated Ind AS financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of such annual consolidated Ind AS financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard ("Ind AS"), prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, as applicable and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed in financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements of five subsidiaries included in the year to date consolidated financial results, whose consolidated financial statements reflect total assets of Rs. 2763.27 lakhs as at 31st March 2019 as well as the total revenue of Rs. 801.31 lakhs for the year ended on that date. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the year to date financial results, to the extent they have been derived from such financial statements is based solely on the report of such other auditors.
