Sub: Alletec to build 'Business Intelligence and Analytics System' for Zambia Electronic Clearing House

Dear Sir/Madam,

With reference to the mentioned subject and pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ("SEBI Listing Regulations"), we are delighted to announce that Alletec's foothold in the African business landscape is set to see further strengthening with the award of contract for building **Business Intelligence and Analytics System' for Zambia Electronic Clearing House Ltd.** This is a pivotal milestone for the company – being the 1st significant project in the **Data Engineering** space in the African region. Working alongside local partners, the successful winning of this project underscores growing influence and success for Alletec in the African market.

For more details, please refer to **Annexure A.**

This is for your information and records, please.

Thanking You,

For All e Technologies Limited

Annexure A

Alletec awarded contract to build 'Business Intelligence and Analytics System' for Zambia Electronic Clearing House Ltd.

We are happy to inform our shareholders that Alletec has been awarded contract to build a Business Intelligence and Analytics System for the Zambia Electronic Clearing House Ltd. Alletec will be using the Microsoft stack of Data & AI solutions for building these systems.

Alletec Director View

Ms. Ritu Sood – Executive Director at Alletec said “Data Engineering and AI are making increasing impact on the present age businesses – getting them ready for the new age. We view this as a significant milestone – not just in our company expansion and influence across Africa, but also in the domain of Data & AI. This will open new doors for Alletec.”
