11.10.2 The Seller Member(s) would be required to place an order/ bid on behalf of the Eligible Shareholders who wish to tender Equity Shares in the Buyback using the Acquisition Window of the Stock Exchanges. For further details, Eligible Shareholders may refer to the circulars issued by the Stock Exchanges, Indian Clearing Corporation Limited or the NSE Clearing Limited ("Clearing Corporation").

11.10.3 The details of the settlement number under which the lien will be marked on the Equity Shares tendered for the Buyback will be provided in a separate circular to be issued by the Stock Exchanges and the Clearing Corporation.

11.10.4 The lien shall be marked by the Seller Member in the demat account of the Eligible Shareholder for the shares tendered in tender offer. Details of shares marked as lien in the demat account of the Eligible Shareholder shall be provided by the depositories to the Clearing Corporation. In case, the Eligible Shareholder's demat account is held with one depository and clearing member pool and Clearing Corporation account is held with other depository, shares shall be blocked in the Eligible Shareholder's demat account at source depository during the tendering period. Inter depository tender offer ("IDT") instructions shall be initiated by the Eligible Shareholder at source depository to clearing member/ Clearing Corporation account at target depository. Source depository shall block the shareholder's securities (i.e., transfers from free balance to blocked balance) and send IDT message to target depository for confirming creation of lien. Details of shares blocked in the Eligible Shareholder's demat account shall be provided by the target depository to the Clearing Corporation.

11.10.5 For orders placed with respect to dematerialized Equity Shares, by clearing members entities who have been allocated a custodian participant code by the Clearing Corporation ("Custodian Participant"), early pay-in is mandatory prior to confirmation of order by custodian. The custodian shall either confirm or reject the orders not later than the closing of trading hours on the last day of the tendering period. Thereafter, all unconfirmed orders shall be deemed to be rejected. For all confirmed Custodian Participant orders, order modification by the concerned Selling Member shall revoke the custodian confirmation and the revised order shall be sent to the custodian again for confirmation.

11.10.6 Upon placing the bid, the Seller Member(s) shall provide a Transaction Registration Slip ("TRS") generated by the exchange bidding system to the Eligible Shareholder on whose behalf the bid has been placed. The TRS will contain the details of the order submitted like bid ID number, application number, DP ID, client ID, number of Equity Shares tendered etc.

11.10.7 It is clarified that in case of dematerialized Equity Shares, submission of the tender form and TRS is not mandatory. After the receipt of the demat Equity Shares by the Clearing Corporation and a valid bid in the exchange bidding system, the Buyback shall be deemed to have been accepted, for Eligible Shareholders holding Equity Shares in demat form.

11.10.8 The Eligible Shareholders will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares due to rejection or due to prorated Buyback decided by the Company. Further, Eligible Shareholders will have to ensure that they keep the bank account attached with the DP account active and updated to receive credit remittance due to acceptance of Buyback of shares by the Company. In the event if any equity shares are tendered to Clearing Corporation, excess dematerialized equity shares or unaccepted dematerialized equity shares, if any, tendered by the Eligible Shareholders would be returned to them by the respective Clearing Corporation. If the securities transfer instruction is rejected in the depository system, due to any issue, then such securities will be transferred to the Seller Member's depository pool account for onward transfer to the Eligible Shareholder. On the date of the settlement, in case of Custodian Participant orders, excess dematerialized shares or unaccepted dematerialized shares, if any, will be returned to the respective custodian depository pool account.

11.11 Procedure to be followed by Eligible Shareholders holding Equity Shares in physical form:

Once Registrar to the Buyback confirms the bids, they will be treated as 'confirmed bids'.

11.10.5 In case any Eligible Shareholder has submitted Equity Shares in physical form for dematerialization, such Eligible Shareholders should ensure that the process of getting the Equity Shares dematerialized is completed well in time so that they can participate in the Buyback before the closure of the tendering period of the Buyback.
