Note 3: During the quarter ended September 30, 2026, the Company transferred Rs 22.95 million from its Monitoring Agency account to its current account for funding capital expenditures. By the end of the reported quarter, the entire transferred amount of Rs 22.95 million had been fully utilized, leaving no outstanding balance in the Company's current account related to IPO proceeds.

Note 4: The Company's vendor arrangements have undergone modifications compared to the disclosure in the prospectus dated August 11, 2025. Notably, the prospectus provides for such flexibility, as it states that "*the Company has not issued purchase orders with any of these vendors and there can be no assurance that the same vendors would be engaged to eventually supply the equipment or provide the service at the same costs*". As a result, the modification of vendor arrangements is consistent with the disclosure outlined in the prospectus.

#Brief description of objects:

Object of the Issue	Description of objects as per the offer document filed by the issuer
Prepayment or repayment of all or a portion of certain outstanding borrowings availed by the Company	The company has entered into various financing arrangements, including term loans and working capital facilities, with multiple lenders. As of September 30, 2025, the company's total outstanding borrowings stood at ₹2,225.59 million. To optimize its debt structure, the company plans to utilize up to ₹1,430.00 million from the net proceeds to pre-pay or repay a portion of its term loans and working capital facilities. This strategic move is expected to reduce existing borrowings, maintain a favourable debt-equity ratio, and enable the company to allocate internal accruals towards business growth and expansion. Furthermore, the company anticipates that this debt reduction will strengthen its balance sheet, enhance its leverage capacity, and facilitate access to competitive financing options for future business development opportunities.
Purchase of equipment and machinery for the Manekpur Facility and installation of automated storage and retrieval system (ASRS) for warehouse in Manekpur Facility	As the company has commenced production at its third manufacturing facility in Manekpur, Gujarat, with a planned total installed production capacity of 22,500 tonnes per annum. The facility has commenced operations with an initial capacity of 4,000 tonnes per annum, utilizing 19 injection moulding machines. Additional machines were installed, increasing the capacity to 9,000 tonnes per annum. The company plans to utilize net proceeds to procure more machines, increasing the capacity to 16,500 tonnes per annum. The facility will be digitally connected and automated with robots and guided vehicles. The total estimated expenditure for the initial planned capacity is approximately ₹1,631.42 million. The company has obtained necessary licenses and approvals for the facility, including environmental clearances. The expansion is expected to enhance the company's manufacturing capabilities and support its growth plans.
GCP	The general corporate purposes for which the Company proposes to utilise the Net Proceeds include, without limitation, meeting ongoing general corporate contingencies, expenses incurred in ordinary course of business, meeting business and working capital requirements, including towards efficiently and effectively managing the business processes funding growth opportunities, advertisement and marketing, IT

iv. Delay in implementation of the object(s)^:

Object(s)	Completion Date		Delay (no. of days/ months)	Comments of the Board of Directors	
	As per the Offer Document	Actual		Reason of delay	Proposed course of action
Purchase of equipment and machinery for the Manekpur Facility and installation of automated storage and retrieval system (ASRS) for warehouse in Manekpur Facility	Fiscal 2026: Rs 1137.14 million	Refer Note 6 and 7	Refer Note 6 and 7	No Comments	

^On the basis of management undertaking and certificate dated October 23, 2026, issued by M/s Maheshwari & Co. Chartered Accountants (Firm Registration Number: 105834W), Peer-Reviewed Independent Chartered Accountant

Note 6: As proposed in the offer document, the amounts earmarked for utilization within Fiscal 2026 towards object 2 amounts to Rs 1137. 14 million. However, only Rs 366.11 million have been utilised till the reported quarter. Hence, there is a delay in implementation.
However, the offer document contains following provision wherein it is stated that "*Company may have to revise its funding requirements and deployment, as required, on account of internal factors such as our business and growth strategies and other external factors such as changes in the business environment. This may entail rescheduling the proposed utilisation of the Net Proceeds and changing the allocation of funds from its planned allocation at the discretion of our management, subject to compliance with applicable laws.*" Accordingly, the unutilized proceeds are planned for utilization in the next fiscal.

Note 7: The delay in utilisation of funds is primarily attributable to the following factors:

Geopolitical Uncertainty: Due to the prevailing geopolitical environment, there continues to be a degree of uncertainty in the export markets in which the Company operates. In light of evolving global conditions, the Company is closely monitoring market developments and assessing demand visibility before proceeding with significant capital deployment.

Assessment of Consumer and Order Trends: The Company is also evaluating evolving consumer preferences and order trends across its product portfolio. This assessment is critical to identify product segments where the Company needs to strengthen its positioning. Accordingly, the Company is taking a calibrated approach to ensure that investments are aligned with emerging demand patterns. This will enable the Company to procure the most appropriate machinery and equipment, ensuring optimal utilisation of capital and avoiding suboptimal or premature investments.
