Sub.: Clarification regarding EU suspension of GSP benefits on plastic products

Dear Sirs/ Madam,

With reference to recent media reports and market queries regarding the applicability of European Union (EU) Generalised Scheme of Preferences (GSP) benefits to plastic products originating from India, All Time Plastics Limited (“the Company”) wishes to clarify the following for the information of investors and stakeholders:

1. The European Commission, through *Commission Implementing Regulation (EU) 2022/1039*, suspended GSP tariff preferences for certain product sections, including Section S-7a – Plastics and articles thereof, for India with effect from 1 January 2023.
2. This suspension was extended through *Commission Implementing Regulation (EU) 2023/2780* until 31 December 2025. The European Commission has further issued Commission Implementing Regulation (EU) 2025/1909, extending the suspension of GSP tariff preferences for the same product sections for the period 1 January 2026 to 31 December 2028.
3. Plastic products exported by the Company fall under Section S-7a, and accordingly, GSP tariff benefits for such products have not been available since 1 January 2023. The applicable duty structure for EU customers has therefore remained unchanged since that date.
4. Accordingly, the Company confirms that there is **no change in applicable duty rates or pricing arrangements for its EU customers.**

This clarification is being issued pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, in the interest of providing accurate information to investors, shareholders, and other stakeholders.

The Company continues to monitor EU trade notifications and will update the Stock Exchanges as required.

We request you to take the same on record.

Thanking you,

Yours faithfully,

**For All Time Plastics Limited**
