Subject: Resignation Letter – Girish Shete

Dear Sir,

I undersigned Girish Shete resigned from my duties & responsibilities W.E.F. from 03/11/2026 .

It was very hard decision for me , but considering family issues & my own inspirations , I decided to move out .

For me it was very short tenure to work with ATP . But I always tried to do my level best & deliver good systems in plant.

Few projects / activities are in pipeline & I will ensure to deliver those before my exit.

Thanks for giving me opportunity to prove myself . Requesting relieving by 30/11/2026 .

Thanks

Regards
