**PRESS RELEASE**

**Almondz Global Securities' Associate, Premier Green Innovations Private Limited (PGIPL), secures 12.82 crore litres of ethanol allocation from OMCs for ESY 2026-27**

*Allocation spans both of the (PGIPL) company's facilities; Himachal Pradesh and Odisha distilleries; first year of supply for the new Odisha plant*

**Management Comments:**

Almondz Global Securities Limited (AGSL) announced that its associate company, Premier Green Innovations Private Limited (PGIPL), has secured a total ethanol allocation of 12.82 crore litres from Oil Marketing Companies (OMCs) for the Ethanol Supply Year (ESY) 2026-27. This comprises 6.44 crore litres for its Himachal Pradesh plant and 6.38 crore litres for its newly commissioned Odisha plant. This gives odisha plant to almost 100% utilization from first year itself.

This year's OMC tender was highly competitive. The industry offered a total of 1,932 crore litres against an OMC requirement of 1,100 crore litres, which means the requirement covered only about 57% of the industry's offered quantity. The tender also had a multi-stage structure with step-by-step conditions and restrictions on feedstock and quarterly volumes. PGIPL's team spent 8 to 10 days on detailed planning of its quarterly and feedstock-wise bids, and secured about 87% of its offered quantity of 14.77 crore litres.

**Allocation summary, ESY 2026-27 (crore litres)**

| **Feedstock** | **Himachal Pradesh** | **Odisha** | **Total** |
|---|---|---|---|
| Surplus Food Grain (SFG) | 1.48 | 1.27 | 2.75 |
| Damaged Food Grain (DFG) | 1.63 | 2.08 | 3.71 |
| Maize | 3.33 | 3.03 | 6.36 |
| **Total** | **6.44** | **6.38** | **12.82** |

**Himachal Pradesh plant:** The plant has a track record of supplying 100% of its OMC allocation in previous supply years. For ESY 2026-27, it has received 6.44 crore litres, of which 5.90 crore litres falls under the dedicated (long-term offtake) category and 0.54 crore litres under the non-dedicated category.

**Odisha plant:** ESY 2026-27 is the first supply year for the Odisha plant, which has a production capacity of 6.60 crore litres. It has received an allocation of 6.38 crore litres, which is about 97% of its capacity in its first year.

With the new allocation for Odisha plant, PGIPL from both Himachal Pradesh and Odisha expects to nearly double the revenue in next financial year.
