Notes

1 Financial Results has been prepared in accordance with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Companies Act 2013 read with the relevant rules issued thereunder.
2 The Financial Results were reviewed by the Audit Committee and taken on record at the meeting of the Board of Directors at their respective meetings held on August 13, 2026 and audit of these results has been carried out by the Statutory Auditors of the Company.
3 The above is an extract of the detailed format of audited Standalone and Consolidated Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the Quarterly audited Standalone and Consolidated Financial Results are available on the Stock Exchange websites (www.bseindia.com and www.nseindia.com) and also on the Company's website at www.jindalpoly.com.
4 Details of modified opinion in Consolidated Financial Results for the Financial Year ended on March 31, 2026.
The Group's inventories as at March 31, 2026 include inventories amounting to Rs. 25,880.96 lakhs lying in a subsidiary's factory at Nashik, Maharashtra. Consequent to the fire at the said premises on May 21, 2025 (Refer Note 4 to the consolidated financial results), during the year management along with surveyor has done physical verification of inventory and consequently management has determined inventory damaged due to fire and accordingly have written off such inventory in the books of accounts. However, due to the fire some areas of the factory premises were affected and rebuilding work was in progress leading to storage space constraint and hence some of the inventories of usable waste which was not affected by fire was stored in a mixed condition. Owing to the above circumstances, at the year-end we could not perform and observe physical verification of the inventories. Subsequent to year end, a third party engaged by management has performed physical verification of inventory but not for all items and in some cases quantities were arrived through a method of estimation. We have performed alternative procedures, including verification of the subsequent movement of inventories, examination of quantitative records and other related documentation, which provided us with evidence in respect of the existence of such inventories. However, since we were not able to perform physical verification hence there could be excesses or shortages, if any, in the quantities which can only be determined when physical verification is performed and observed by us in the subsequent periods. We were therefore unable to determine whether any adjustments were necessary to the carrying value of inventories as at March 31, 2026, and the consequential impact, if any, on the profit for the year, other equity and the related disclosures in the consolidated financial results of the Group.
