Board of Directors' Responsibilities for the Financial Results

The Company's Board of Directors are responsible for the preparation and presentation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company and the statement of assets and liabilities and the statement of cash flows in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the financial results by the Directors of the Company, as aforesaid.
5. In preparing the financial results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
6. The Board of Directors of the Company are responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Financial Results

7. Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

* The issue expenses are modified to the extent of GST payment made over the cost as per the Offer Document filed for the IPO as certified by Independent Chartered Accountant and affirmed by the monitoring agency. Consequent to this, general corporate purpose expenses are also modified and reduced to that extent.

Note a: IPO proceeds which were unutilised as at March 31, 2026 are temporarily invested in fixed deposits and kept in monitoring account. Interest earned on fixed deposits and utilised for the objects is Rs. 34.67 lakhs and interest accrued on the fixed deposits as at March 31, 2026 is Rs. 42.26 lakhs.

Note b: The Company had estimated to utilize Rs 8,000.00 lakhs for the above mentioned objects by FY 2026. The delay is primarily attributable to (a) deferment of payments to suppliers on account of pending completion of work/supply of goods against agreed milestones; and (b) delay in placement of machinery orders owing to pending finalization of commercial terms with the respective suppliers.

- The Company has incurred certain IPO related expenses which have been allocated on a rational basis. The cost of Rs. 1,719.16 lakhs (net of GST) allocated for issue of new shares has been adjusted against securities premium as permissible under Section 52 of the Companies Act, 2013 upon successful completion of Initial Public Offer (IPO). The cost of Rs. 262.88 lakhs (net of GST) allocated for listing of existing shares has been recognised in the Statement of Profit and Loss and disclosed as an exceptional item.
- The finance costs for the year ended March 31, 2025 includes Rs. 309.73 lakhs, being cost of derecognition of financial liability consequent to the early redemption of non-convertible debentures.
- Figures of the quarters ended March 31, 2026 are the balancing figures between the audited figures for the year ended on that date and the unaudited published year to date figures up to the nine months period ended.
- On November 21, 2025, the Government of India notified the four consolidated Labour Codes, replacing several existing labour laws. Based on the draft rules and the guidance currently available, the Company has evaluated the impact of the revised definition of wages on its employee benefit obligations in accordance with Ind AS 19. Following this assessment the incremental impact arising from the implementation of the Labour Codes is not material to its financial performance. The Company will continue to monitor the finalisation of the relevant Central and State Rules and will recognise additional impact, if any, in the period in which such Rules or related clarifications are notified.
