Dear Sirs,

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, this is to inform you that the Company has received closure orders dated April 30, 2021, from the Andhra Pradesh Pollution Control Board, for the Company's Plants situated at Karakambadi, Tirupati and Nunegundlapalli village, Chittoor District, Andhra Pradesh.

The Company is reviewing the said orders and will be taking all necessary recourse as may be necessary and available to protect the interest of all our stakeholders.

Amara Raja as a responsible corporate has always placed highest priority to environmental management systems and have adopted best environmental practices over the last many years in our organisation which have helped us maintain highest standards of pollution control measures including employee health and safety.

Our choices have always been guided by a commitment to society that are socially and environmentally responsible. We have invested significantly on pollution control systems and measures (air / water / hazardous waste / green belt development etc.) and have been always excelling on EHS systems

We request you to take on record the same.

With regards,
For Amara Raja Batteries Limited
