11	The company makes use of a simplified approach for trade and other receivables as well as contract assets as permitted by Ind AS 109 Financial Instruments and records the loss allowance as lifetime expected credit losses. These are the expected shortfalls in contractual cash flows, considering the potential for default at any point during the life of the financial instrument. In calculating, the company uses its historical experience, external indicators and forward-looking information to calculate the expected credit losses using a provision matrix. As per the policy, the cumulative provision under the policy stood at Rs. 881.62 lakhs (net) as at 31st March, 2021. Other expenses include provision for ECL Rs. 347.18 lakhs during the current financial year.										
12	The company has considered the impact of COVID 19 pandemic on its business operations and financial results based on its review of current indicators of future economic conditions. The Company has used the principles of prudence in applying judgments, estimates and assumptions including sensitivity analysis and based on the current estimates, the Company has accrued its liabilities and also expects to fully recover the carrying amount of trade receivables including unbilled receivables, intangible assets, and investments. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these standalone financial results.										
13	The new code on Social Security, 2020 (the Code) has been enacted, which would impact the contributions by the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified. The Ministry of Labour and Employment (the Ministry) has released draft rules for the Code on November 13, 2020 and has invited suggestions from stake holders which are under active consideration by the Ministry. The Company will complete its evaluation and will give appropriate impact in its financial statements in the period in which the Code becomes effective and the related rules are published.										
14	The balance of associate companies of United Telecoms Limited (UTL) in the books of Trigyn Technologies Limited as on 31st March 2021 is as follows:

As per the audit report submitted, primary charge is delayed offering of Milestone III for the GST. The company is contesting this demand and is in the process of filing an appeal. No provision has been made for this demand.											
17 Figures of the previous quarter/period/year have been regrouped and reclassified, wherever considered necessary to correspond with the current period presentation.											
Notes to Consolidated Financials Results											
1 The audited financial statement for the quarter and year ended March 2021 has been reviewed by the audit committee and approved by the Board of Directors at their respective meetings held on May 11 and May 12, 2021.The financial results of the company have been prepared in accordance with Indian Accounting Standards (IND AS), the provisions of the Companies Act, 2013, and guidelines issued by the Securities and Exchange Board of India.											
2 Figures for the quarter ended 31st March are the balancing figures between the audited figures in respect of full financial year and the published year to date figures up to the third quarter of the relevant financial year subjected to limited review.											
3 In terms of IND AS 108, the company is having single reportable segment i.e. "Communication and information technology staffing support services".											
4 The company has provided for gratuity and leave encashment expenses for the FY 2020-2021 on the actuarial valuation report, except in case of overseas subsidiaries, as per applicable local law.											
5 Trigyn Technologies Inc has, during the year, converted its non-trade investment (Convertible Promissory Notes) of USD 500,000 in Whizdotal Inc. along-with accrued interest into preferred stock (202,097 shares) of Whizdotal Inc.											
6 The financial statements of subsidiaries Leading Edge Infotech Limited (LELI) and Trigyn Technologies India Private Limited (TIPL) have been prepared on going concern basis despite negative net worth of the Company as at the year end. As at 31st March 2021, both the above companies are not in a position to meet their commitments on their own and are totally dependent on the financial support of the Holding company. The management is in the process of taking steps to revive the business and is also exploring other alternates such as merger/amalgamation/liquidation. Since both the companies are supported by the holding company, the financial statements have been prepared on going concern basis despite the negative net worth of these Companies at the year-end.											
7 During the quarter, the Group's project teams and employees were "Working from Home". Some of the Group's projects particularly Cloud-Based Virtual Classroom System at Andhra Pradesh and toll collection from Parking project at Nashik were badly affected on account of the prolonged lockdown. The management of respective companies of the Group have evaluated the possible impact of this pandemic on the business operations and the financial position of the Group where fixed expenditure such as permanent staff salary, office and godown rent, finance costs, manpower agency charges and others which have been accounted but could not be covered by revenue billing due to the prolonged lockdown.											
8 The Group has considered the impact of COVID 19 pandemic on its business operations and financial results based on its review of current indicators of future economic conditions. The Group has used the principles of prudence in applying judgments, estimates and assumptions including sensitivity analysis and based on the current estimates, the Group has accrued its liabilities and also expects to fully recover the carrying amount of trade receivables including unbilled receivables, intangible assets, and investments. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these standalone financial results.
