**Sub : Reply on clarification sought by Exchange for spurt in volume in Shares of the Company in recent past.**

Dear Sir / Madam,

This has reference to your email & Letter No. NSE/CM/Surveillance/12066 dated July 07, 2022 seeking clarification on significant increase in the volume of Company's security across Exchanges, in the recent past.

We would like to inform that Company is in compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and has been promptly informing to the Stock Exchanges of all events and information that may have a probable bearing on the operation/ performance of the Company including all price sensitive information, as and when required from time to time.

We believe that there is no material information or event that in our opinion would have a bearing on the price / volume behaviour of the script. There is no undisclosed / potentially price sensitive information / event /impending announcement / corporate action, which needs to be informed to the Exchanges at this point of time.

Therefore, price / volume behaviour in the scrip is purely due to market conditions and absolutely market driven. Further, we would like to assure you that Company will, as required under SEBI (LODR) Regulations, 2015, continue to inform the exchange of all material events within stipulated time period.

We hope the above clarifies and request you to kindly take the same on your records.

Yours faithfully,

For, AMI ORGANICS LIMITED
