Subject : Intimation pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir/Madam,

In furtherance to our intimation under Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 dated December 23, 2021 w.r.t disclosure of transfer of production operations of speciality chemical business at Ankleshwar facility to Jhagadia facility and the proposed capex plan, we would like to inform that the Board of Directors of Company has finalised and approved the Capex Plan for Ankleshwar Unit at its meeting held on April 28, 2022.

The Capex plan of Ankleshwar Unit entails an outlay of INR 190 crores to build a brownfield plant to support the future business growth of the company's advanced pharmaceutical intermediates segment. The existing structure of Ankleshwar Unit will be completely demolished and a new Plant will be built on the land. The Ankleshwar unit has received necessary environmental clearance and the new facility will have ~90 reactors taking the total reactor capacity to 436KL. The plant is expected to start commercial operations from January 2024. The Capex will be funded through a mix of General Corporate funds of IPO proceeds, internal accruals, and bank finance.

This is for your kind information and dissemination.

Yours faithfully,

For, AMI ORGANICS LIMITED

CS Ekta Kumari Srivastava

Company Secretary & Compliance Officer
