**Subject:** Clarification regarding deficiency in Financial Results for the period ended 30<sup>th</sup> September, 2025 – ANB Metal Cast Limited (Symbol: AMCL)

**Ref:** Your email/query dated 01<sup>st</sup> February, 2026 regarding non-submission of Segment Details.

Dear Sir,

Dear Sir/Madam,

With reference to the captioned subject and the deficiency observed regarding the non-submission of segment details, we would like to provide the following clarification:

**Single Segment Operations:** The Company, ANB Metal Cast Limited, is primarily engaged in the business of manufacturing and casting of metal products. This is the only reportable business segment as per the framework of [Ind AS 108 / AS 17] on "Operating Segments."

**Portal Technicality:** During the submission of financial results on the NEAPS portal, the "Segment Reporting" module requires the selection of multiple segments to validate the file. As the Company operates in a single segment, the system did not validate the entry, leading to the observed deficiency.

**Compliance:** We confirm that since there are no separate reportable geographical or business segments, the requirement for segment-wise revenue, results, and capital employed is not applicable to the Company for the period under review.

We request you to kindly take the above clarification on your records and treat the query as resolved. We shall ensure that for future filings, this technicality is addressed in coordination with the exchange helpdesk or noted in the notes to the financial results.

**Thanking You,  
Yours Faithfully,  
For, ANB Metal Cast Limited**
