DISCLAIMER

In this annual report we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

III. OTHER INFORMATION:

Reason of Loss or inadequate profits

During the past years, performance of the Company has been adversely affected mainly because of external factors beyond management control, due to which the Company was not able to meet the repayment obligations of the lenders. The Working Capital of the Company has been substantially depleted in the earlier years which significantly impacted the operating capacity resulting in higher costs.

Steps taken or proposed to be taken for improvement

The Company undertook several steps to lowering the overheads and aligning resources with current level of operations. The Company is focusing on cost competitiveness. The Company has achieved positive EBIDTA as a result of the various measures it has undertaken during the Financial Year 2019-20. The Management is now actively working with various lenders and financial institutions to restructure the loans of the company in order to bring down the debt to sustainable levels.

Expected Increase in productivity and profits in measurable terms

The recent pandemic has subdued the business environment and the Indian economy is expected to contract by 10-11% in Financial year 2020-21. Hence the management has adopted focused and aggressive business strategies and functions to improve the sales and profitability of the Company which includes cutting down costs. The economy is expected to do well from the FY 2021-22. The Management is confident of higher growth ratio in the period to come. Ankit Metal & Power Limited is well placed in the market to benefit from the increased demand and being an integrated player in the industry the future looks bright.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.]

To,
The Members,
Ankit Metal & Power Limited
35, Chittaranjan Avenue,
Kolkata - 700 012

1. We have conducted the secretarial audit of **Ankit Metal & Power Limited** having its registered office at 35, Chittaranjan Avenue, Kolkata - 700 012 and having CIN L27101WB2002PLC094979 (hereinafter called "The Company"), for the financial year ended on 31st March, 2020 ("the period under review"). The aforesaid Secretarial Audit has been conducted pursuant to the provisions of section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, read with the Guidance Note on Secretarial Audit (Release - 1.2) of The Institute of Company Secretaries of India, in a manner that provided us a reasonable basis for evaluating the corporate conduct and the process of statutory compliances under various statutes, rules, regulations, guidelines, as indicated here in below in the instant report and as such expressing my opinion thereon.
2. Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.
3. We have examined the secretarial compliance based on the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020 and as shown to us during our audit, according to the provisions of the following laws:
 - i. The Companies Act, 2013 (the Act) and the rules made thereunder;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment;
 - v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

Annexure to the Directors' Report

- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
 - e. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 - vi. Other than the fiscal, labour and environmental laws, which are generally applicable to all manufacturing, trading companies, there is no such law that applies specifically to the Company. The examination and reporting of these laws and rules are limited to whether there are adequate systems and processes in place to monitor and ensure compliance with those laws.
 - vii. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company during the period under review:
 - The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
 - The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008.
4. We have also examined compliance with the Secretarial Standards (SS 1 AND SS 2) issued by the Institute of Company Secretaries of India (ICSI).
 5. During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Standards, etc. mentioned above except to the extent as mentioned below:
 - i. It has been observed that the Company has defaulted in the payment of statutory dues within the prescribed time.
 6. We further report to the best of our understanding that,
 - a) The Board of Directors of the Company is duly constituted as per the provision of Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, for the time being. The changes in the composition of Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
 - b) Adequate notice is given to all Directors for the Board and Committee Meetings. Agenda and notes on agenda were sent in advance, and further information and clarifications on the agenda items were provided for meaningful participation at the meeting.
 - c) All decisions at Board Meetings and Committee Meetings are carried out unanimously, as recorded in the minutes of the Meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that during the year under audit which have the major bearing on the Company's affairs:

The accumulated losses of the Company have eroded the entire net worth of the Company indicating the uncertainty about the Company's ability to continue on a going concern basis.

Annexure to the Directors' Report

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines.

It is stated that the compliance of all the applicable provisions of the Companies Act, 2013 and other laws is the responsibility of the management. We have relied on the representation made by the Company and its Officers for systems and mechanism set-up by the Company for compliance under applicable laws. Our examination, on a test-check basis, was limited to procedures followed by the Company for ensuring the compliance with the said provisions. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted its affairs. We further state that this is neither an audit nor an expression of opinion on the financial activities/statements of the Company. Moreover, we have not covered any matter related to any other law which may be applicable to the Company except the aforementioned corporate laws of the Union of India.

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC OVERVIEW

The Global growth of economy has decreased to a level of 2.9% in the year 2019-20 from 3.7% in 2018-19 and growth is expected to fluctuate in the upcoming years.

The India's GDP growth for Financial year 2020-2021 is expected to be negligible. The nation is currently experiencing a phase of depression because of the Covid-19 pandemic which has adversely affected all sectors and specially the steel sector which is highly dependent on foreign markets like China. Growth is expected to pick up towards the end of 2020 and the market may stabilize from early 2021. India also has an opportunity to strengthen its recent economic gains by initiating more integration in the global value chain. Factors such as a young working population, improving business climate and renewed focus on export expansion would support this opportunity.

STEEL INDUSTRY

The growth in the Indian steel sector has been driven by domestic availability of raw materials such as iron ore and cost-effective labour. Government of India's focus on infrastructure and undertaking road projects is aiding the boost in demand for steel and is expected to increase the demand post the pandemic from early part of the year 2021.

STAINLESS STEEL INDUSTRY

India's per capita consumption for stainless steel products is continue to be below the world average which may cause a massive unrealised potential for steel demand growth. There is an ongoing thrust for infrastructure development which will further boost the demand for stainless steel in the country post the effects of the pandemic is over. The growth in the Indian steel sector has been driven by domestic availability of raw materials such as iron ore and cost-effective labour. Moreover, growing urbanisation and disposable income will also enhance demand of stainless steel. Consequently, the steel sector has been a major contributor to India's manufacturing output.

OUTLOOK

The iron & steel sector has been a major contributor to India's manufacturing output which in turn depends on increase in automotive production and development. Rising investment in the infrastructure and real estate sectors and increase in number of construction activities are promising a slow but gradually demand for steel products.

Ankit Metal & Power Limited is one of the significant manufactures of Iron and Steel in eastern India. The Company currently operates at Jorehira, dist, Bankura in West Bengal and has an integrated management system that encompasses quality, environment and occupational health and safety certification.

MANAGEMENT DISCUSSION AND ANALYSIS

DETAILS OF SIGNIFICANT CHANGE IN KEY FINANCIAL RATIO

The significant changes in the financial ratios of the Company, which are more than 38% as Compared to the previous year are summarised below:

Ratio	Financial Year 2019-20	Financial Year 2018-19	Change (%)	Reason for change
Operating Profit Margin (%)	(5.73)	(22.81)	74.88	Better sales realisation and cost control
Net Profit Margin (%)	(13.93)	(23.47)	40.67	Better sales realisation and cost control
Interest Coverage Ratio (X)	(0.70)	(33.76)	97.93	Increase in sales and cost control
Debtors Turnover Ratio (X)	4.17	2.65	57.22	Increase in sales realisation and turnover
Inventory Turnover Ratio (X)	1.02	0.73	38.91	Increase in revenue and better Sales realisation

RISK, OPPORTUNITIES AND THREATS

The Company manufactures iron and steel. In the financial year 2019-20 the overall growth of iron and steel business was not satisfactory with slower increase in demand. Also, the effect of the Covid-19 pandemic has further put a halt on all production activities for almost four months. All construction sights and other areas of infrastructure was also put on halt and the country faced acute crisis of labour as most of them returned to their native places in view of the pandemic and lockdown being announced by the Government of India. The business was severely impacted by the increase in cost of raw material. The domestic consumption of steel is likely to increase 2021-22 due to Government initiatives like make in India, building Smart Cities, focus on sanitation facilities and development in areas of roads and railways etc.

Further, the electrical energy is one of the major inputs in production of iron and steel and high power tariff is a great threat for the industry.

The Company has a Risk Management framework in place which is designed to identify, assess and monitor various risks related to key business and strategic objectives. All identified risks are categorised based on a matrix of likelihood of occurrence and impact thereof and a mitigation plan is worked out to extent possible

The government has already initiated so many steps for the betterment of Indian economy and has also undertaken two large initiatives viz. putting more money into the rural economy especially after demonetisation and putting a renewed focus on infrastructure development and this would certainly enable the steel producers to survive and grow in the markets.

SEGMENT-WISE PERFORMANCE

The business activity of the Company primarily falls within a single business segment-Iron and Steel. The Company also generates power from Captive Power Plant, which is entirely consumed in manufacturing of iron and steel without any sale to third parties.

MANAGEMENT DISCUSSION AND ANALYSIS

HEALTH, SAFETY AND ENVIRONMENT

The Company is committed to conducting its activities in a manner that promotes the health and safety of its employees, assets and the public, as well as protection of the environment. The Company's Integrated Management System comprises of quality, environment and occupational health and safety certification. All the statutory requirements related to safety, health and environment are being complied with.

Requirements of environmental acts and regulations are complied with. Monitoring and analysis of water, stack emissions and ambient air quality etc., are undertaken periodically to verify whether the level of environmental parameters are maintained and are well within the specified limits.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains adequate Internal Control Systems in all areas of operation. Services of Internal and External Auditors are utilised from time to time, as also in-house expertise and resources. The Company continuously upgrade these systems in line with the best available practices. An independent Audit Committee of the Board reviews the adequacy of Internal Control. Some of the significant features of Internal Control Systems are:

- Adequate documentation of policies, guidelines, authorities and approval procedures covering all important functions.
- Deployment of an ERP system which covers most operations and is supported by a defined on-line authorisation protocol.
- Ensuring complete compliance with laws, regulations, standards, and internal procedures and systems.
- Ensuring the integrity of the accounting system; the properly authorised recording and reporting of all transactions.
- Ensuring a reliability of all financial and operational information.

The Company has an Audit Committee with independent directors as members. The committee periodically reviews significant audit findings, adequacy of internal control and compliance with Accounting Standards, amongst others. The Internal Audit Reports are placed before the Audit Committee for consideration. The management duly considers and takes appropriate action on the recommendations made by the Statutory Auditors, Internal Auditors and the independent Audit Committee of the Board of Directors. The Company also takes quarterly compliance certificate in respect of various applicable laws from the concerned departmental heads and place the same before the board.

INDUSTRIAL RELATIONS AND HUMAN RESOURCES

Human Resource management is not only important but also a critical asset for a Company's growth. The Company's human capital comprises a prudent mix of youth and experience. The Company employs contract labour in its manufacturing facilities. The Company partners with its employees to ensure a highly engaged and motivated workforce dedicated to achieving the Company's goals. We ensure a safe work environment for all our women employees. We also promote gender equality. Abiding by the Sexual Harassment Policy, we have a Complaint

MANAGEMENT DISCUSSION AND ANALYSIS

Committee which addresses any complaint from women employees in this relation and take necessary action. The Policy is being reframed as per the provision of Sexual Harassment of Women at the Work Place (Prevention, Prohibition & Redressal) Act, 2013. During the year the Company has not received any complaints of sexual harassment. As on 31st March, 2020, the Company has 1,068 employees on its payroll.

CAUTIONARY STATEMENT

Certain statements in the Management Discussion and Analysis Report describing the Company's objective and predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward looking statements contained in this document due to various risks and uncertainties. These risks and uncertainties include the effect of economic and political conditions in India, volatility in interest rates new regulations and government policies that may impact the Company's business as well as its ability to implement the strategy. The Company doesn't undertake to update the statements.

Corporate Governance Report

I. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Independent Auditor's Report

TO
THE MEMBERS OF
ANKIT METAL & POWER LIMITED

Report on the Audit of Financial Statements

Qualified Opinion

We have audited the accompanying Financial Statements of **ANKIT METAL & POWER LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including Other Comprehensive Loss), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, *except for the possible effect of matter described in the basis for qualified opinion section of our report*, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles accepted in India, of the state of affairs of the Company as at 31st March, 2020 and the loss including Other Comprehensive Loss, the Statement of Changes in Equity and its Cash Flow Statement for the year ended on that date.

Basis for Qualified Opinion

We draw your attention to note no. 26 of the accompanying Financial Statements regarding non-provision of interest expense on the borrowings of the Company amounting to ₹ 12,496.59 Lacs for the year ended 31st March, 2020 (cumulative non-provision of ₹ 53,009.31 Lacs and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.

Had the aforesaid interest expense been recognized, the finance cost for the year ended 31st March, 2020 would have been ₹ 16,919.76 Lacs instead of reported amount of ₹ 4,423.16 Lacs. The total expenses for the year ended 31st March, 2020 would have been ₹ 74,834.86 Lacs instead of ₹ 62,338.27 Lacs. We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the

Independent Auditor's Report

Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

Material uncertainty relating to Going Concern

We draw your attention to note no. 27 of the Financial Statements regarding preparation of the Financial Statements on going concern basis, for the reason mentioned therein. The Company has accumulated losses during year ended 31st March, 2020. As on date the Company's current liabilities are substantially higher than its current assets and net worth has also been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon the debt resolution of the Company which is under process, the Company's ability to raise requisite finance, generation of cash flows in future to meet its obligation and to earn profit in future.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl. No.	Key Audit Matter	How our audit addressed the Key Audit Matter
1.	Claim and exposure relating to taxation and litigation	Our audit procedures included the following:
	The Company has material uncertain tax positions including matters in respect of disputed claims/levies under various taxes and legal matters. The taxes and litigation exposures have been identified as key audit matter due to: i. Litigation cases require significant judgement due to complexity of the case and involvement of various authorities. ii. These involve significant management judgment to determine the possible outcome of the uncertain tax positions.	Our audit procedures include the following substantive procedures: <ul style="list-style-type: none">• Obtained understanding of key uncertain tax positions;• We have reviewed and analysed key correspondences relating to dispute;• We have discussed the matter for key uncertain tax positions with appropriate senior management;• We have evaluated management's underlying key assumptions in estimating the tax provisions; and assessed management's estimate of the possible outcome of the disputed cases

Independent Auditor's Report

Emphasis of Matter

- i. As referred in note no. 30 of the Financial Statements, certain balances of "Borrowings", "Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable in Cash or Kind" and "Advance to Suppliers and Other Parties" etc. includes balances remaining outstanding for a substantial period. The balances are subject to confirmations and reconciliation. The reported Financials might have consequential impact which remains unascertained.
- ii. As referred in note no. 11 of the Financial Statements, various credit facilities availed from UBI, IOB, SBI, IDBI and Allahabad Bank have been assigned by the respective banks in favour of Asset Reconstruction Companies under various assignment agreements between the respective banks and Asset Reconstruction Companies. In absence of information about the terms of assignments, the Company is carrying the various credit facilities as appearing in the books and as per the previous terms with the respective banks. This may have consequential impact on the reported financials.

Our report is not modified in these matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Return but does not include the Financial Statements and our Auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Loss, the Statement of Changes in Equity and Cash Flow Statement in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Independent Auditor's Report

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements

Independent Auditor's Report

may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors Report) Order, 2016 ('the order') issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in the paragraphs 3 and 4 of the order, to the extent applicable.

- I. As required by section 143(3) of the Act, we report that:
 - a. Except for the possible effects of the matters described in the basis of qualified opinion section of our report, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. Except for the possible effects of the matters described in the basis of qualified opinion section of our report, in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss including Other Comprehensive Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
 - d. Except for the effects of the matters described in the basis of qualified opinion paragraph above, in our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. The matter described in the basis for qualified opinion section of our report, may have adverse effect on the functioning of the Company.

Independent Auditor's Report

- f. On the basis of written representations received from the directors as on 31st March, 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020, from being appointed as a director in terms of section 164(2) of the Act.
- g. With respect to the adequacy of the Internal Financial Controls over Financial Reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration payable by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on the financial position in the Financial Statements - refer note no. 28 to its Financial Statements.
 - ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure “A” to the Independent Auditors’ Report

The Annexure A referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirements’ of our report of even date to the Financial Statements of the Company for the year ended 31st March, 2020, we report that:

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
 - (b) The property, plant and equipment of the Company have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of freehold immovable properties are held in the name of the Company. The Leasehold deeds of immovable properties are in the name of Company.
- (ii) The inventory has been physically verified by the management at reasonable intervals. In our opinion the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material having regard to the size of the operations of the Company and the same have been properly dealt with in the books of account.
- (iii) The Company has not granted any loans, secured or unsecured, to Companies, Firms or other parties listed in the register maintained under section 189 of the Companies Act, 2013. Therefore, the reporting under Paragraph 3 (iii) of the said order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) The Company has not accepted any deposits from the public and consequently, the directives issued by Reserve Bank of India and provisions of section 73 to section 76 or any other relevant provisions of the Companies Act 2013 and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company in respect of manufacture of Iron & Steel product & Power generation unit pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, and we are of the opinion that prima facie, the records have been maintained. We have however not made a detailed examination of the records with a view to determining whether they are accurate and complete.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has generally delayed in depositing undisputed statutory dues including Goods & Service Tax, Provident Fund, Income Tax, Sales Tax, Service Tax, Duty of Customs, Value Added Tax, Cess and other statutory dues during the year with appropriate authorities.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls over financial reporting of **ANKIT METAL & POWER LIMITED** (“the Company”) as of 31st March, 2020 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of Internal Financial Controls over financial reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s Internal Financial Controls system over financial reporting.

Annexure “B” to the Independent Auditors’ Report

Meaning of Internal Financial Controls over Financial Reporting

A Company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's Internal Financial Control over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over Financial Reporting to future periods are subject to the risk that the Internal Financial Control over Financial Reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls system over financial reporting and such Internal Financial Controls over Financial Reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to and forming part of the Financial Statement for the year ended 31st March, 2020

1 Company Overview

Ankit Metal & Power Limited ("the Company") is a well-differentiated player in the Steel manufacturing sector. Since its inception, the Company has come a long way to position itself as one of the integrated steel plant to produce rolled products comprising of TMT Bars, Sponge Iron, Steel Melting shop, Billets and Rolling Mill along with 12.5 MW Captive Power Plant. The Company is a public Company incorporated in India. The address of its registered office is 35, Chittaranjan Avenue, Kolkata - 700012.

1.1 Basis of preparation

a) Statement of Compliance

These Financial Statements are prepared in accordance with the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under section 133 of the Act read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use.

b) Functional and presentation currency

The financial statements are presented in Indian Rupees ("₹") which is Company's presentation currency. The functional currency of the Company is also Indian Rupees ("₹").

c) Basis of measurement

The financial statements have been prepared on historical cost convention on the accrual basis, except for the following items:
Certain financial assets and financial liabilities measured at fair value;

(i) Employee's defined benefit plan as per actuarial valuation.

(ii) Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

d) Use of judgments and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Critical accounting judgements and key sources of estimation uncertainty: Key assumptions

(i) Useful lives of Property, Plant and Equipment:

The Company reviews the estimated useful lives and residual values of Property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the Property, Plant and Equipment.

(ii) Allowances for doubtful debts:

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

(iii) Allowances for inventories:

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the financial statements for any obsolete and slow-moving items.

(iv) Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using certain valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

(v) Defined benefit plans:

The cost of the defined benefit plan includes gratuity and the present value of the gratuity obligation are determined using actuarial valuations using projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Notes to and forming part of the Financial Statement for the year ended 31st March, 2020

(vi) Recognition and measurement of provisions and contingencies:

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies, if any, in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for.

e) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
 - Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
 - Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).
- When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

f) Recent Accounting Development: Standard issued but not yet effective

The Company has adopted Ind AS 116- "Leases" with effect from 1st April, 2019, as notified by the Ministry of Corporate Affairs (MCA) in the Companies (Indian Accounting Standard) Amendment Rules, 2019. The adoption of this standard have insignificant impact on the reported results for the year ended 31st March, 2020.

1.2 Significant Accounting Policies

a) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial Assets

Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables are initially measured at transaction price. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Amortised cost
- Fair value through other comprehensive income (FVTOCI)
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Financial assets at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The effective interest rate (EIR) amortisation is included in finance income in the profit or loss.

Financial assets at FVTOCI

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Notes to and forming part of the Financial Statement for the year ended 31st March, 2020

Financial assets at FVTPL

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit & Loss.

Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

ii. Financial Liability

Initial Recognition and measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

Subsequent Measurement

For purposes of subsequent measurement, financial liabilities are classified in following categories:

- Financial liabilities through profit or loss (FVTPL)
- Financial liabilities at amortised cost

Financial Liabilities through FVTPL

A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss.

Financial Liabilities at Amortised Cost

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

Derecognition

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

An exchange between an existing borrower and lender of debt instruments with substantially different terms shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability or a part of it (whether or not attributable to the financial difficulty of the debtor) shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of a financial liability (or part of a financial liability) extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, shall be recognised in profit or loss.

iii. Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

c) Property, Plant and Equipment

i. Recognition and Measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. Borrowing costs directly attributable to the acquisition or construction of those qualifying property, plant and equipment, which necessarily take a substantial period of time to get ready for their intended use, are capitalised.

A fixed asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Cost of the tangible assets not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-Progress.

Notes to and forming part of the Financial Statement for the year ended 31st March, 2020

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only when it is probable that the future economic benefits associated with the expenditure will flow to the Company. Ongoing repairs and maintenance are expensed as incurred.

iii. Depreciation and Amortisation

Depreciation and amortisation for the year is recognised in the Statement of Profit and Loss. Depreciation on fixed assets are provided on straight line method over the useful lives of assets, at the rates and in the manner specified in Part C of Schedule II of the Act. The rates of depreciation as prescribed in Part C of Schedule II of the Act are considered as the minimum rates. Freehold land is not depreciated. Leasehold land (includes development cost) is amortised on a straight line basis over the period of respective lease. Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted as appropriate.

d) Inventories

Inventories are valued at lower of cost and net realisable value. Cost of inventories comprises material cost on FIFO basis, labour and manufacturing overheads incurred in bringing the inventories to their present location and condition. The cost of Work-in-Progress and finished goods includes the cost of labour, material and a proportion of manufacturing overheads.

e) Impairment

i. Impairment of Financial Instruments : Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

ii. Impairment of Non-Financial Assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. For impairment testing, assets that do not generate independent cash inflows are grouped together into Cash-Generating Units (CGUs). Each CGU represents the smallest Company of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs. An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

f) Foreign Currency Transactions

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets. Additionally, exchange gains or losses on foreign currency borrowings taken prior to 1st April, 2016 which are related to the acquisition or construction of qualifying assets are adjusted in the carrying cost of such assets.

g) Government Grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

Notes to and forming part of the Financial Statement for the year ended 31st March, 2020

h) Employee Benefits

Post-Employment Benefits

(i) Defined Benefit Plans

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income. The Company has an Employee Gratuity Fund managed by the Life Insurance Corporation of India. Liability with regards to long term employee benefits is provided for on the basis of actuarial valuation at the Balance sheet date.

(ii) Defined Contribution Plans

Retirement benefit in the form of contribution to Provident Fund is a defined contribution scheme and is charged to profit & loss account in the year when they become due.

(iii) Short Term Employee Benefits

Short - term compensated absences are provided for on the basis of estimates.

i) Accounting of Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for. Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

j) Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Domestic sales are recognised at the time of dispatch of materials to the buyer. Export sales are recognised on the issue of bill of lading.

Export Incentives arising out of Export Sales are accounted for on accrual basis.

Purchases are inclusive of freight and net of Input Tax Credit, Trade Discount and Claims.

k) Recognition of Dividend Income, Commission Income, Interest Income or Expenses

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established. Income from commission is recognised based on agreements/arrangements with the customers as the service is performed using the proportionate completion method, when no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. Interest income or expense is recognised using the effective interest method.

l) Leases

Leases of property, plant and equipment that transfer to the Company substantially all the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. The minimum lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the Statement of Profit and Loss. Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognised in the Company's Balance Sheet. Payments made under operating leases are recognized in the Statement of Profit or Loss on a straight-line basis over the term of the lease unless the payments to the lessor are structured to increase in line with general inflation.

Notes to and forming part of the Financial Statement for the year ended 31st March, 2020

m) **Income Tax**

Income Tax expense comprises of current and deferred tax. Current tax and deferred tax is recognized in the statement of profit or loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

i. **Current Tax**

Current Tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii. **Deferred Tax**

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

n) **Borrowing Costs**

Borrowing Costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred. Where there is an unrealised exchange loss which is treated as an adjustment to interest and subsequently there is a realised or unrealised gain in respect of the settlement or translation of the same borrowing, the gain to the extent of the loss previously recognised as an adjustment is recognised as an adjustment to interest.

o) **Earnings per Share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p) **Segment Reporting**

The Company has identified Iron & Steel as the sole business segment and the same has been treated as primary business segment. The Company sells mostly within India and does not have operations in economic environments with different risks and returns, it is considered operating in single geographical segment. Hence, no further disclosure as required under the Indian Accounting Standard - 108 "Operating Segments" as issued by the 'The Institute of Chartered Accountants of India'.

q) **Expenditure on new projects & substantial expansion**

Preliminary project expenditure, capital expenditure, indirect expenditure incidental and related to construction/ implementation, interest on term loans to finance fixed assets and expenditure on start-up of the project are capitalised upto the date of commissioning of project to the cost of the respective assets.

- (ii) Unsecured Loans from Related Parties will be converted into equity shares in due course. The conversion price will be determined in accordance with the SEBI (Issue of Capital and Disclosure Requirements) Regulations.
- (C) Various credit facilities availed from UBI, IOB, SBI, IDBI and Allahabad Bank have been assigned by the respective banks in favour of Asset Reconstruction Companies under various assignment agreements between the respective banks and Asset Reconstruction Companies. In absence of information about the terms of assignments, the Company is carrying the various credit facilities as appearing in the books and as per the previous terms with the respective banks. On the basis of settlement agreement, the credit facilities availed from Andhra Bank (CC, WCTL, FITL) has been assigned to Alchemist Assets Reconstruction Company and it is appearing in the books of accounts as per the agreement.
- (D) Pursuant to restructuring of the Company's debts, the CDR Proposal as recommended by SBI was approved by CDR EG on 9th September, 2014 and communicated vide Letter of Approval dated 17th September, 2014, as amended/modified from time to time. Under CDR package, additional credit facilities have been sanctioned as set out in the said Letter of Approval. The CDR Package included reliefs/measures such as reduction in interest rates, funding of interest, rearrangement of securities etc.

During the past years, performance of the Company has been adversely affected mainly because of external factors beyond management control, due to which the Company was not able to meet the repayment terms as per the CDR Package. The Working Capital of the Company has been substantially depleted due to servicing of interest and repayment to the Banks and Financial Institutions in earlier years. The same has also resulted in the ballooning of loan. As a result, the lenders of the Company have decided to exit the CDR scheme. Hence, the outstanding dues to Corporation Bank, Syndicate Bank and UCO Bank has been shown under "Current Maturities of Long Term Borrowings".

Notes to and forming part of the Financial Statement for the year ended 31st March, 2020

- 26 The lenders have stopped charging interest on debts, since the dues from the Company have been categorised as Non-Performing Assets. The Company is in active discussion/negotiation with its lenders to restructure the debt at a sustainable level. In view of the above, pending finalization of the restructuring plan, the Company has not provided accrued interest in its books during the year and reversed interest provided in earlier period pertaining to the period the account was declared NPA by the respective lenders. Interest amounting to ₹ 12,496.59 Lacs (penal interest and charges thereof remains unascertained) for the year ended 31st March, 2020 has not been provided for. The unprovided accumulated liability in respect of interest on Long-Term and Short-Term borrowings as on 31st March, 2020 amounted to ₹ 53,009.31 Lacs. The same have consequential impact on the reported figures.
- 27 The Company has incurred loss of ₹ 7,580.73 Lacs for the year ended 31st March, 2020 and accumulated loss as on 31st March, 2020 is ₹ 1,10,503.99 Lacs which is in excess of the entire net worth of the Company. With the substantial improvement in raw material availability, improvement in market scenario with notification of Minimum Import Price on steel, it is expected that the overall financial health would improve considerably. Considering the above developments and favorable impact thereof on the Company's operations and financials, the Company has prepared the financial results on the basis of 'Going Concern' assumption.
- 28 Contingent Liabilities not provided for in the Books of Accounts :
- Right to Recompense to CDR Lenders for the relief and sacrifice extended, subject to provisions of CDR Guidelines, amounting to ₹ 48,176.00 Lacs (P.Y ₹ 48,176.00 Lacs).
 - Relating to earlier assessment years a demand of ₹ 18,428.74 Lacs (P.Y. ₹ 28,546.67 Lacs) was raised by the Income Tax Department against which the Company has filed appeals.
 - Relating to earlier financial years a demand of ₹ 3,676.78 Lacs (P.Y. ₹ 3,820.45 Lacs) were raised by the CESTAT department against which appeals has been filed by the Company.
 - Relating to earlier financial years a demand of ₹ 8,991.98 Lacs (P.Y. ₹ 8,731.97 Lacs) respectively were raised by the Sales Tax Department against which appeals has been filed by the Company.
 - Claims against the Company not acknowledged as debts ₹ 1,775.24 Lacs (P.Y. ₹ 2,461.35 Lacs).
 - The Ministry of Railway issued a Show Cause Notice in respect of Evasion of Freight on loading of Iron-ore at a concessional rate & the penalty on such thereof amounting to ₹ 4,162.19 Lacs (P.Y. ₹ 4,162.19 Lacs). The Company has filed a writ petition in the High Court in the year 2013 for issuing an unjustified notice.
- 29 In the opinion of the management, current and non current asset have a value of realisation in the ordinary course of business at least equal to the amount at which they are stated in the accounts.
- 30 Certain balances of "Trade Receivables", "Trade Payables", "Borrowings", "Advances from Customers", "Advances Recoverable In Cash or Kind" and "Advance to Suppliers and Other Parties" includes balances remaining outstanding for a substantial period. The balances are subject to confirmations and reconciliations. The Balance with revenue authorities are subject to final assessment order and/or submission of returns. The reported financials might have consequential impact once the confirmations are received and reconciliation if any is made. Pending such confirmations and reconciliations, the management has made a provision/(reversal) for doubtful debts for (₹ 1,062.09) Lacs (P.Y. ₹ 347.47) Lacs on debtors as per the expected credit loss policy.
- 31 As per consistent practice, the Company has charged off the expenses incurred for captive power generation in the natural heads of account.

32 Disclosure pursuant to Ind AS-19 "Employee Benefits" :

a. Defined Benefits - Gratuity

The Company's gratuity benefit scheme for its employees in India is a defined benefit plan (funded).

The Company provides for gratuity from employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of completed service.

The present value of obligation is determined based on the actuarial valuation using the Projected Unit Credit Method as on 31st March, 2020 which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The Company's gratuity expense is recognized under the head - "Employee Benefit Expense" in Note No. 22.

These defined benefit plans expose the Company to actuarial risks, such as interest rate risk, liquidity risk, salary escalation risk and regulatory risk.

39 Financial Risk Management Objective And Policies

The Company's principal financial liabilities comprise loans and borrowings, trade payables and other payables in domestic currency. These financial liabilities are incurred mainly to finance the Company's operations. The Company's principal financial assets include investments, loans, trade and other receivables and cash and other bank balances that derive directly from its operations.

The Company has exposure to the following risks from financial instruments presently in use:

- Credit Risk
- Liquidity Risk
- Market Rate Risk

The Board of Directors has overall responsibility for the Company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by the management regularly to reflect changes in the working conditions.

Credit Risk Management

Credit Risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans. In addition, credit risk arises from finance guarantees.

Company's credit risk arises principally from the trade receivables and cash & cash equivalents.

Customer credit risk is managed centrally by the Company through credit approvals establishing credit limits and continuously monitoring the credit worthiness of the customers to whom the credit is extended in the normal course of business. The concentration of credit risk is limited due the fact that the customer base is large and unrelated. The Company estimates the Expected Credit Losses on the basis of its evaluation of each case. Provision is being made as per the Company's expected credit loss policy in the manner mentioned below:

Overdue for more than 1 year but not more than 2 years: 5%

Overdue for more than 2 years but not more than 4 years: 15%

Overdue for more than 4 years: 50%

followed by further provision on year to year basis based on the management evaluation of each case.

Credit risks from balances with banks are managed in accordance with the Company's policy.

1) Credit Risk Exposure

The carrying amount of financial assets represents the Company's maximum exposure to credit risk. The maximum exposure to credit risk as of 31st March, 2020 and 31st March, 2019 are as follows:

No significant changes in estimation techniques or assumptions were made during the reporting period

Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity, subject to its restructuring proposals, to meet its liabilities when due, under both normal and stressed conditions. In the opinion of the Management, the Company's cash flow from business, borrowing or financing would be sufficient to meet the cash requirements for its operations with support of its lenders. The Company has committed borrowing facilities with various banks.

10% decrease	92.80	79.53	68.67	54.95

40 Capital Management

The fundamental goals of capital management are to:

- safeguard their ability to continue as a going concern, subject to note no. 27 so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Board of Directors has the primary responsibility to maintain a strong capital base and reduce the cost of capital through prudent management of deployed funds and leveraging opportunities in domestic and international financial markets so as to maintain investor, creditor and market confidence and to sustain future development of the business.

For the purpose of Company's capital management, capital includes issued capital and all other equity reserves. The Company manages its capital structure in light of changes in the economic and regulatory environment and the requirements of the financial covenants. The Company applied the same capital risk management strategy that was applied in the previous period.

The Company manages its capital on the basis of net debt to equity ratio which is net debt (total borrowings net of cash and cash equivalents) divided by total equity.

i) Debt is defined as Long Term Borrowings, Short Term Borrowings, Current Maturities of Long Term Borrowings and Interest accrued and due on borrowings.

41 The COVID-19 pandemic has adversely impacted the economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown to curb the spread of COVID-19. Due to this, the manufacturing operations of the company along with supply and distribution got temporarily disrupted. In light of these circumstances, the management has evaluated the impact on the carrying amounts and recoverability of its assets including financial assets, inventory, property plant and equipment, Intangibles etc. as at the balance sheet date, and has concluded that there are no material adjustments required in the financial statements. Management believes that it has taken into account all the possible impact of known events arising from COVID 19 pandemic in the preparation of the financial statements upto the date of approval of accounts. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.

42 Previous year's figures have been regrouped/restated wherever necessary to confirm with this year's classification.
