PRESS RELEASE

Anlon Technology Solutions Limited appoints new Chief Technology Officer (CTO) w.e.f 4th March 2025

Anlon Technology Solutions Limited proudly announces the appointment of Mukhaddas as its new Chief Technology Officer (CTO). With an impressive 37-year career spanning Mechanical Engineering, Automation, and Precision Manufacturing, Mukhaddas brings a wealth of expertise to drive innovation and technological excellence within the company.

A highly accomplished leader in the machine tool industry, Mukhaddas has held key positions in both multinational corporations and public sector undertakings. His expertise includes CNC gear-cutting machinery, Industry 4.0 solutions, and smart manufacturing. Prior to joining Anlon Technology Solutions, he spent 27 years at Gleason Works (India) Private Limited, a wholly owned subsidiary of Gleason Corporation, Rochester, NY who are the pioneers in the field of Gear Cutting Technology. He played a pivotal role in establishing new machine manufacturing units, overseeing technology transfers, and optimizing manufacturing strategies for sustainable growth.

Prior to his tenure at Gleason, Mukhaddas worked for nine years at BEML (H&P Division) in the Maintenance Department, where he supported critical infrastructure for production processes. His work at BEML helped shape his deep understanding of industrial machinery maintenance, operational efficiency, and large-scale manufacturing processes.

His leadership and technical acumen have been instrumental in achieving consistent business expansion, enhancing operational efficiencies, and fostering innovation through advanced automation and robotics. With a strong focus on regulatory compliance, quality control, and strategic business management, Mukhaddas is well-equipped to align Anlon Technology Solutions technology roadmap with its long-term business goals.

As Anlon Technology Solutions Limited, we are delighted to welcome Mukhaddas as our new CTO. His extensive experience and proven track record in the machine tool industry make him the ideal leader to spearhead our technological advancements. His vision will play a crucial role in strengthening our position in the market and driving future innovations.

Mukhaddas holds a Bachelor's degree in Mechanical Engineering and multiple certifications in lean manufacturing. His appointment is expected to accelerate Anlon Technology Solutions' growth strategy and reinforce its commitment to delivering cutting-edge solutions to its clients.
