Dear Sirs,

Anmol India Ltd. one of the leading players in Supply chain management for commodity trade has in its board meeting held on November 07th, 2023 approved the unaudited Financial Results of the Company for the Quarter and Half Year ended 30th September, 2023.

In the coming months, Anmol India Ltd is strategically placing a stronger emphasis on technology-driven solutions to elevate our business operations. Our Anmol Coal Mobile app will spearhead this initiative. Our vision is to build upon this success and further integrate technology into our supply chain management system. We aim to create a seamless and more efficient system that leverages technology to its fullest potential, ultimately delivering a superior experience to our customers. This approach aligns with our commitment to staying at the forefront of innovation in the commodity trade industry, ensuring we continue to meet and exceed the evolving needs of our valued clientele.
