(d) The Group is closely monitoring the impact of the pandemic on all aspect of its business. The management does not see long term risks in the Group's ability to continue as a going concern and meeting its liabilities as and when they fall due. The Management has also evaluated the recoverability of receivables and realisability of inventory on hand based on subsequent realisations and customer orders respectively. However, given the uncertainties associated with the eventual outcome, nature and duration of the pandemic, the impact may be different from that estimated as on the date of approval of these financial statements.
