

**Apex Ecotech Limited Delivers Highest-Ever Financial Performance Since Inception;
FY26 Revenue Surges 109.50% YoY to ₹148.65 Crore,
EBITDA Up 96.82% & PAT Rises 98.85%**

Pune, May 07, 2026

Apex Ecotech Limited, a company specializing in advanced water and wastewater treatment solutions, today announced its audited financial results for the half year and financial year ended March 31, 2026.

The Company delivered a landmark performance in FY26, driven by strong execution across large-scale industrial projects, increasing demand for sustainable water solutions, and continued momentum in Zero Liquid Discharge (ZLD), water treatment, and wastewater recycling systems.

Backed by robust project execution capabilities and improved operational scale, Apex Ecotech recorded its highest-ever annual revenue and profitability since inception, further strengthening its position as a fast-growing player in India's water and wastewater treatment industry.

Financial Performance Highlights

Strong Order Wins Reinforce Growth Visibility

During FY26, Apex Ecotech secured several strategic projects across industries, FMCG, Beverage, Automotive, and Technology sectors, significantly strengthening its execution pipeline and long-term growth visibility.

- **Reliance Consumer Products Limited:** Advanced Water Treatment Projects worth ₹100–125 Crore
- **Larsen & Toubro Limited (L&T Construction):** WTP, ETP & ZLD solutions project worth ₹45–55 Crore for automobile facility in Tamil Nadu
- **CRD Consumer Products Limited:** ETP project worth ₹18–22 Crore
- **Bharatiyam Beverages Private Limited:** ETP expansion project worth ₹10–15 Crore
- **Pragati Power Corporation Limited:** MBR installation project worth ₹3–5 Crore

Management Commentary

“FY26 has been a landmark and transformational year for Apex Ecotech Limited, as the Company delivered its highest-ever financial performance since inception. The year was characterized by strong execution momentum, strategic project acquisitions, and sustained demand for advanced water and wastewater treatment solutions across industrial sectors.

For FY26, Revenue from Operations stood at ₹148.65 Crore, representing a robust year-on-year growth of 109.50%. EBITDA increased to ₹21.76 Crore, registering a growth of 96.82% YoY, while Profit After Tax (PAT) rose to ₹17.02 Crore, reflecting a significant increase of 98.85% YoY.

The Company also delivered a particularly strong performance during H2 FY26. Revenue from Operations for the period stood at ₹116.08 Crore, growing by 135.68% YoY. EBITDA for H2 FY26 increased to ₹18.76 Crore, up 108.99% YoY, while PAT grew by 106.12% YoY to ₹14.45 Crore.

The strong operational and financial performance achieved during the year reflects the Company’s engineering excellence, efficient project execution capabilities, and enduring customer relationships. The Company is also pleased to state that the IPO proceeds have been fully deployed towards the stated objectives, supporting capacity enhancement, operational expansion, and long-term growth initiatives.

As on March 31, 2026, the order book stood at over ₹125 Crore, providing strong revenue visibility for the upcoming financial periods. With increasing emphasis on sustainability, Zero Liquid Discharge (ZLD), water conservation, wastewater recycling, and environmental compliance, Apex Ecotech Limited remains well positioned to capitalize on the long-term opportunities within the water and wastewater treatment industry. Going forward, the Company remains focused on strengthening its technological capabilities, enhancing execution efficiencies, and delivering sustainable solutions that contribute towards a more water-secure future.”

Anuj Dosajh, Chairman & Managing Director

About Apex Ecotech Limited
