## Apex Ecotech Limited – Business Update

(Unaudited – As per internal management accounts)

**Q3 FY26 alone outperformed the combined revenue of Q1 and Q2 by a strong 44%, marking a clear inflection in growth momentum.**

**New Delhi, January 28, 2026**

Apex Ecotech Limited, a Water & Wastewater Treatment and Project Company, is pleased to provide a comprehensive business and financial update for the quarter ended December 31, 2025 (Q3 FY26), based on unaudited internal management accounts.

The Company's equity shares were listed on the NSE in December 2024. Since its listing, Apex Ecotech Limited has sustained a strong operating trajectory, supported by a healthy order book, disciplined execution, and a resilient business model. The Company continues to experience robust demand for its engineering, procurement, and project execution capabilities across segments.

During Q3 FY26, the Company's profitability performance remained aligned with internal projections and consistent with the audited financial results for FY25. **The quarter marked a significant milestone, with Apex Ecotech Limited delivering its highest-ever quarterly revenue and operating profit since incorporation based on provisional & unaudited computation.** This performance was driven by accelerated progress across key ongoing projects, improvement in billing cycles, and operational efficiencies achieved through better project planning and resource optimization.

The Company has continued to strengthen its project management processes, enhance on-site productivity, and leverage its technical expertise to improve delivery timelines. These efforts have contributed meaningfully to margin stability and strengthened its position in the water and wastewater solutions sector.

This voluntary update is being shared to promote transparency, enhance communication with stakeholders, and reinforce the Company's commitment to sound corporate governance practices. Management remains focused on maintaining operational rigor, prudent financial management, and long-term value creation for shareholders.

The information provided above is based on unaudited internal financial data and has not been reviewed or confirmed by the Company's statutory auditors.
