Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sirs,

This is further to our letter dated August 20, 2018 intimating the disruption of production operations of the Company's plants located at Perambra and Kalamassery, due to floods in Kerala.The production was disrupted as many employees couldn't reach the plants.

We hereby wish to inform you that the production at the plants is near normalcy.

There is no damage to equipment or property, and all our employees are safe and secure. The production loss due to this natural calamity is 3000 MT (approximately). However, consequential loss of profit is not significant.

The production loss due to natural calamity is adequately covered under the Insurance Policy of the Company.

The company, in its efforts towards re-building Kerala, has sent 4 truck-loads of cleaning kits (comprising disinfectants, detergents, scrubbers, rodent killers, etc. and first aid kits). We have engaged relevant agencies for waste removal from affected houses and their safe disposal. Two mobile healthcare vans have been deployed in Kochi, which along with the team of doctors and paramedics, and with adequate supply of medicines, are attending to the immediate healthcare needs in the nearby areas/villages. This is in addition to the company's direct monetary contribution to the Chief Minister's Disaster Relief Fund.

In case of any clarification, please contact the undersigned.

Thanking you,

Yours Sincerely,
For Apollo Tyres Ltd.
