PRESS RELEASE

Celebrating Excellence: Smart Manufacturing and Enterprise (SME) Award Presented to Apollo Micro Systems Ltd

Mumbai, February 11, 2026 – Apollo Micro Systems Limited (AMS), a leading defence and aerospace technology company, has been recognized as one of India's Fastest Growing Engineering Companies by Smart Manufacturing & Enterprises (SME).

The award was presented on February 11, 2026, at a distinguished ceremony held at the National Stock Exchange, Mumbai. The recognition forms part of a special listing compiled by Smart Manufacturing & Enterprises (SME), a flagship publication of ASAPP Info Global Group, one of India's leading B2B media houses serving the construction, engineering, and manufacturing sectors.

The selection process was curated through a rigorous, process-driven evaluation methodology based on two key financial parameters namely Revenue Growth and Net Profit Performance. The recognition highlights Apollo Micro Systems' consistent financial growth trajectory, operational excellence, and strong market performance within the engineering sector.
