The discussion hereunder covers Company's performance and its business outlook for the future. This outlook is based on assessment of the current business environment and Government policies. The change in future economic and other developments are likely to cause variation in this outlook.

The Management's views on the Company's Performance and outlook are discussed below:

ECONOMIC OVERVIEW:

Global Economy:

Global economic activity in FY 25 continued to expand at a modest pace, with growth in advanced economies slowing while emerging markets maintained relatively higher momentum. The IMF's latest outlook projects global GDP growth at 3.3% for both 2025 and 2026, indicating a stable yet modest expansion. Inflation pressures are gradually easing worldwide – global inflation is expected to decline from about 6.8% in 2023 to around 4.2% in 2025, bringing many advanced economies closer to their target ranges.

The global renewable energy market - experienced unprecedented expansion in 2024, reinforcing its pivotal role in the global energy transition. According to IRENA, a record-breaking 585 GW of new renewable power capacity was added globally in 2024, accounting for over 90% of total capacity addition. This surge brought the total installed renewable energy capacity to approximately 4,448 GW worldwide.

Indian Economy Outlook:

India's macroeconomic outlook for FY 25-26 remains robust. As of April 2025, the Reserve Bank of India (RBI) projects GDP growth at 6.5%, signaling continued momentum in domestic demand and investment activity. The National Statistics Office (NSO), in its February 2025 release, also estimated real GDP growth at 6.5% for FY 2024-25, indicating alignment in institutional forecasts and sustained economic resilience.

The Union Budget for FY 25-26 has announced a substantial increase in capital expenditure outlays, continuing the government's infrastructure push in sectors such as transport, logistics, and energy. Notably, the budget allocation for the Ministry of New and Renewable Energy (MNRE) was raised to Rs. 26,549 Crore, marking a 53% year-on-year increase reflecting a strong focus on clean energy investment.

As of 31.03.2025, India's total installed renewable energy capacity, including large hydro, has surpassed 220 GW, reflecting an impressive ~15% year on year growth. FY 25 saw record-breaking new installations, with approximately 24 GW of Solar PV and 4.1 GW of wind capacity added, marking the highest annual additions on record.

Over the last decade, Solar power has been the primary driver of India's renewable energy growth, now constituting nearly 48% of total RE capacity. While these gains are impressive, the pace of expansion must continue to accelerate, as the government has set a target of 50 GW of renewable additions per year for the next five years to meet the ambitious 2030 target.

Achieving this scale of expansion is estimated to require an investment of around Rs. 33 trillion (\$400 billion) in investments over the next decade, necessitating the mobilization of both public and private finance.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Indian Solar Industry

India's solar energy sector continued its rapid expansion, achieving a cumulative installed capacity of 105 GW as of the end of FY 25. The year witnessed record addition of 24 GW of new solar capacity, marking over a 60% increase compared to FY 2023-24. This surge was primarily driven by large-scale project deployments in states such as Rajasthan and Gujarat. Rooftop and distributed solar also registered steady growth, supported by net metering and subsidy programs. Solar energy now accounts for nearly half of India's total installed renewable energy capacity. With an ambitious 2030 target of ~280 GW of solar capacity, India is steadily advancing, with a robust project pipeline of ~84 GW currently under implementation

With the increased support of the Government and improved economics, the sector has become attractive from an investor's perspective. As India looks to meet its energy demand on its own, which is expected to reach 15,820 TWh by 2040, renewable energy is set to play an important role.

Indian Solar PV Module and Cell Manufacturing capacity

India's solar capacity exceeds 50 GW, indicating a major shift towards renewable energy. Startups are developing affordable solar solutions to expand clean energy access. Solar tracking technology increases sunlight capture by up to 30%. Local manufacturing of solar components is increasing, reducing import dependence.

Solar installations support India's renewable energy goals: 175 GW by 2022, revised to 500 GW by 2030.

Indian Solar Inverters Market

Market Size (FY 2022-2023): Solar inverters market size was 2,520 MW. Grid-connected solar inverters (without storage) dominated the market (80%).

Market Projections: Expected to reach INR 9,352 crore (USD 1.1 million) by 2026 and Projected CAGR of 14.4% from 2020 to 2026.

Environmental Impact: Potential energy savings of 21.1 billion kWh and Reduction in CO₂ emissions by 15.1 million tons.

Indian Solar Pump Market:

Market Size: Valued at USD 0.5 billion in 2022; projected to grow to USD 2.7 billion by 2032.

CAGR: Expected compound annual growth rate (CAGR) of 15% from 2023 to 2032.

Technological Advancements: Continuous innovations in solar pumping systems are enhancing efficiency, durability, and reliability, making solar pumps a viable alternative to diesel/electric pumps.

Smart Monitoring: Innovations like smart monitoring and control systems allow for optimized water usage, remote performance tracking, and improved operational efficiency.

IoT Integration: Use of IoT and data analytics provides farmers with real-time insights and decision-making tools.

Sustainability Focus: Aligns with government goals for enhancing agricultural productivity, energy efficiency, and reducing the carbon footprint of agriculture.

GOVERNMENT INITIATIVES:

The Pradhan Mantri Kisan Urja Suraksha evam Utthaan Mahabhiyan (PM-KUSUM) scheme is a government program that provides subsidies to farmers to install solar irrigation pumps.

The scheme provides the following subsidies:

- Central government subsidy Up to 30% or 50% of the total cost for installing standalone solar pumps or solarizing existing grid-connected agricultural pumps.
- Procurement Based Incentive (PBI) is 40 paise/kWh or Rs. 6.60 lakhs/MW/year, whichever is less.

- CFA around
- 30% of the benchmark cost or the tender cost, whichever is lower
- Government subsidies are promoting rooftop solar installations across sectors, targeting 40 GW capacity
- PM-KUSUM scheme aims to install 2 million solar pumps and generate 27,000 MW from barren lands.
- Tax incentives, including 80% depreciation on solar assets, encourage business investment in renewable energy.
- Atmanirbhar Bharat initiative promotes domestic manufacturing of solar components to reduce imports.
- India initiated the International Solar Alliance with 121 countries, targeting \$1trillion in solar energy investments.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated financial statements.

Information other than the Financial Statements and Auditor's Report thereon (Other Information)

The Holding Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the financial statements and our auditors' report thereon. The Holding Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we read the Holding Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable under the applicable laws and regulations.

Responsibilities of Management for the consolidated financial statements

The Holding Company's management and Board of Directors are responsible for matter stated in Section 134(5) of the Act, with respect to the preparation and presentation of these consolidated financial statements that gives a true and fair view of the financial position, financial performance and cash flows in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Management and Board of Directors of the companies included in the Group and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of Group and its joint venture and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal Financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group and its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and the respective Management and its Joint venture are also responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

1. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.

2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries and its joint venture as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

(e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and joint venture incorporated in India, none of the directors of the Group's companies and joint venture incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;

(g) In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries, no managerial remuneration for the year ended March 31, 2025 has been paid by the Company to its Directors and hence the provisions of section 197 read with Schedule V to the Act are not applicable.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements as also the other financial information of the subsidiaries and joint venture, as noted in the 'Other Matters' paragraph:
