Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015- For Commencement of Commercial Production of Another New 400 MW Topcon Solar Module Line

REF: TRADING SYMBOL: APS; ISIN: INE0P0001010

Dear Sir/Madam,

In terms of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we would like to inform that based on last Investor Presentation dated May 27, 2026, we are pleased to inform you that trail of another new 400 MW Topcon solar module line at facility located at Tajpur , NH-08, Prantij, Dist: Sabarkantha, 383205, Gujarat has been successfully completed and full-scale commercial production has commenced with effect from October 13, 2026.

This new line increased the Company's total solar module manufacturing capacity from 800 MW to 1.2 GW and strengthens APS's position as one of the few fully integrated domestic solar manufacturers capable of producing high-efficiency TopCon modules at scale.

Further, this milestone marks a significant step toward enhancing our overall production capabilities and meeting growing demand in both domestic and international markets.

Kindly take the same on records.

Thanking you,

For Australian Premium Solar (India) Limited (Formerly Known as Australian Premium Solar (India) Private Limited)
