Sub: Clarification for Financial results – ARENTERP

Dear Sir/Madam,

In response to your inquiry about our financial results, we would like to clarify that Rupal Holdings Private Limited is an associate company of Rajdarshan Industries Limited, rather than a subsidiary. In accordance with relevant accounting standards, the consolidated financial results only incorporate the proportionate share of profit from associate companies, rather than consolidating their financials line-by-line. Consequently, our results reflect solely the share of profit amounting Rs. 0.06 Lakhs for the quarter and half year ended September 2024 attributable to Rupal Holdings Private Limited.

We hope this explanation clarifies the matter. If you require further clarification or additional information, please do not hesitate to contact us."

Thank you for your understanding.

Thanking you,

Sincerely
For **Rajdarshan Industries Limited**
