Subject: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Business Update for the nine months ended December 31, 2025 (9M FY26).

Symbol: (NSE-SME: ARHAM) ISIN: INE0L2Y01011

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Schedule III thereof, and in accordance with the disclosure requirements applicable to NSE SME listed entities, we hereby inform that the Company has issued a Business Update / Press Release highlighting the financial and operational performance of the Company for the **nine months ended December 31, 2025 (9M FY26)**.

The said Press Release, inter alia, contains details of revenue growth, key operational highlights, expansion initiatives, market outlook, and management commentary on the Company's performance.

The Press Release is enclosed herewith as **Annexure – A** and is also being disseminated on the Company's website.

This disclosure is being made for information and record of the Exchange.

Thanking you,

Yours faithfully,

For Arham Technologies Limited

Pooja Avinash Gandhewar

Company Secretary cum Compliance Officer

Arham Technologies Delivers 42% Revenue YoY Growth in 9M FY26, Equals FY25 Yearly Revenue

Raipur, 4th February 2026: Arham Technologies Limited (NSE-SME: ARHAM), a leading Consumer Electronics Brand and Manufacturer, shared strong financial performance for the nine months ended December 31, 2025 (9M FY26). The company recorded **total Revenue of ₹69.73 crore, reflecting a stellar 42% year-on-year (YoY) revenue growth.**

This financial growth in-turn represents that Arham Technologies has already reached its full FY25 revenue numbers within the first nine months of FY26, underlines the strength of its execution and market positioning. This growth comes from company's core operations without any contribution from the recent fundraise. The raised capital will expedite our expansion, accelerating growth multifold in the years ahead and steadily increasing out utilisations.

KEY HIGHLIGHTS:

- Total 9M FY26 sales: ₹69.73 crore (42% YoY growth).
- FY25 full-year revenue target achieved in 9M FY26.
- Strong shift to premium TVs: 42"/52" models outsold last year's volumes vs. standard 32", fuelled by rising big-screen demand amongst consumers.
- Dealer network expanded aggressively and deeper relationships enabling superior product mix launches ahead.
- GST 2.0 & Union Budget 2026 provide pricing and taxation relief and EMS sector tailwinds from Government of India.
- Intensified focus on branding/marketing investments driving market penetration and customer loyalty.

Mr. Ankit Jain, Executive Director and Chief Financial Officer, commented, *"We are quite delighted to share this outperformance with the exchanges, driven entirely by company's core operations momentum amid strong market demand. With demand trends improving steadily, we are on track to close FY26 at the ₹100+ Crores mark sustaining our 40%+ revenue growth trajectory, combined with planned CAPEX investments, controlled working capital and marketing initiatives and will accelerate expansion even further in the years to come."*

Arham Technologies continues to capitalize on rising opportunities in the Consumer Durables sector, focusing on high-margin products and operational efficiency to deliver sustained value.

About Arham Technologies Limited:

Arham Technologies Limited is a leading Electronics Manufacturer and Original Equipment Manufacturer (OEM) specializing in Smart LED Televisions under the premium STARSHINE and economy ARATTON brand. Incorporated in 2013 and based in Raipur, Chhattisgarh, the company operates from the Electronic Manufacturing Cluster in New Raipur with State-Of-The-Art facilities including 1K standard clean rooms and advanced testing protocols.

The company has established itself as a dominant player in Central India's consumer electronics sector, manufacturing LED Smart TVs, Ceiling Fans, Air Coolers along with other appliances like Washing Machines, and Mixer Grinders for both B2B and B2C segments.
