Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Schedule III thereof, and in accordance with the disclosure requirements applicable to NSE SME listed entities, we wish to inform you that **Arham Technologies Limited** (NSE-SME: ARHAM) successfully participated in FAN Expo Hyderabad 2026 held from 12th to 14th February 2026 at HITEX Exhibition Centre, Hyderabad.

The Company, under its flagship brand STARSHINE, showcased its latest range of fans including advanced BLDC technology fans along with its diversified product portfolio. The event witnessed strong participation from industry stakeholders, distributors, dealers and business partners, resulting in significant B2B engagement and lead generation for the Company.

The participation in the expo provided enhanced brand visibility, strengthened distributor relationships and opened new avenues for business expansion. The Company remains optimistic about converting these interactions into confirmed business orders in the forthcoming quarters.

STARSHINE by Arham Technologies Showcases Innovation at FAN Expo Hyderabad 2026

Raipur, 16th February 2026: Arham Technologies Limited (NSE-SME: ARHAM), a leading Consumer Electronics Brand and Manufacturer under its flagship brand STARSHINE, successfully participated in **FAN Expo 2026** held from **12–14 February 2026** at the prestigious HITEX Exhibition Centre, a world-class venue known for hosting large-scale national and international trade exhibitions.

FAN Expo Hyderabad served as an exclusive **B2B platform** for the fan and fan technology industry, enabling brands, manufacturers, distributors, dealers, architects and other industry professionals to connect, collaborate and explore business opportunities under one roof. The event attracted **6500+ visitors** and featured **60+ exhibitors**, making it one of the most significant industry gatherings in the sector this year.

Several prominent industry players including Havells, Orient, Rally, Zigma and other established brands participated in the expo, making it a vibrant networking and business-focused event for the sector.

At the expo, STARSHINE showcased its **latest range of fans**, including its advanced BLDC technology fans alongside a diverse portfolio of ceiling fans, designer models, high-efficiency units, and other popular variants. The exhibition space saw **exceptionally strong footfall**, with industry buyers, dealers and channel partners engaging enthusiastically with the STARSHINE product lineup.

The Company's booth became a focal point for visitors seeking innovative, energy-efficient solutions, resulting in a high volume of **quality B2B interactions** and serious buyer inquiries throughout the three-day event.

Mr. Ankit Jain, Executive Director and Chief Financial Officer, commented, “*FAN Expo Hyderabad 2026 turned out to be a very strong platform for STARSHINE. From the first day itself, we saw serious business visitors, strong distributor interest and continuous engagement, which clearly reflects the growing acceptance of our brand in the market.*”

*We deliberately showcased our best offerings with a clear focus on **new product development and innovation**, especially our latest BLDC and premium fan range. Our objective was to demonstrate the depth of our manufacturing capabilities and the direction in which we are evolving as a brand. As a company committed to the ‘**Make in India**’ vision, it was satisfying to see buyers acknowledge the quality, finish and performance of products manufactured by us.*

*The three days resulted in **substantial lead generation and addition of new prospective customers to our network**. Alongside a strong working pipeline, we initiated meaningful discussions with partners looking to expand distribution and retail presence. We are optimistic about converting a healthy portion of these engagements into confirmed orders over the coming quarters. We also **engaged with several component and raw material suppliers**, which will help us further strengthen sourcing efficiency as volumes grow.*

Platforms like these give us a real sense of where the market is heading. Interacting directly with industry peers and trade partners helps us understand changing preferences and areas where we can sharpen our approach. Overall, the event strengthened our market confidence. I would like to acknowledge the dedicated effort of our team, their preparation, coordination and execution ensured that STARSHINE made a strong and professional impact.”

About Arham Technologies Limited:

Arham Technologies Limited is a leading Electronics Manufacturer and Original Equipment Manufacturer (OEM) specializing in Smart LED Televisions under the premium STARSHINE and economy ARATTON brand. Incorporated in 2013 and based in Raipur, Chhattisgarh, the company operates from the Electronic Manufacturing Cluster in New Raipur with State-Of-The-Art facilities including 1K standard clean rooms and advanced testing protocols. The company has established itself as a dominant player in Central India's consumer electronics sector, manufacturing LED Smart TVs, Ceiling Fans, Air Coolers along with other appliances like Washing Machines, and Mixer Grinders for both B2B and B2C segments.
