Dear Sir/Madam,

Raipur, Chhattisgarh – August 22, 2025: Arham Technologies Limited (NSE-SME: ARHAM), a leading electronics manufacturer, is pleased to announce a significant expansion of its production capabilities through a new capital expenditure program.

We are expanding our existing production line to manufacture and assemble

- a. Interactive Panels
- b. Digital Signage Solutions and
- c. Large-Sized Televisions.

This diversification is aimed at tapping into rapidly growing demand segments across education, corporate, and commercial display markets.

The expansion project will be financed through a mix of **₹7.5 Crore term loan** and **₹11 Crore from internal accruals**, reflecting the Company's strong financial position and prudent capital allocation strategy.

We expect this capacity expansion to **contribute significantly to both the topline and bottomline** over the coming years, strengthening Arham Technologies' market presence and driving sustainable growth.
