## Arisinfra Solutions Secures ₹40 Cr+ Development Management Mandate from AVS Group in Mumbai

*Unlocks significant margin upside through an integrated supply and services delivery model*

Mumbai: August 07, 2025: ArisInfra Solutions Ltd. (BSE, NSE: ARISINFRA), through its subsidiary (ArisUniterm RE Solutions Private Limited) has secured a prestigious Development Management (DM) mandate from AVS Housing and Construction LLP (AVS Group) for *Rudraksh Towers – Wing A*, a premium residential development in Mulund, one of Mumbai’s most coveted real estate micro-markets.

The mandate carries a revenue potential exceeding ₹40 crore, with substantial margin upside enabled by the company’s integrated delivery model—a full-stack solution that combines development management, project execution, and material supply under a single umbrella.

“We are thrilled to partner with AVS Group on this landmark development,” **said Srinivasan Gopalan, CEO of Arisinfra Solutions Ltd.** He further added that “This agreement not only strengthens our position in Mumbai’s competitive real estate market, but also reflects the growing demand for integrated partners who can solve for capital, execution, and procurement — all under one roof. Wins like this deepen our presence in high-value micro-markets and drive long-term value creation through stronger margins, better capital efficiency, and full-stack delivery.”

Rudraksh Towers is a marquee addition to the company’s growing portfolio and exemplifies its ability to bring together the three essential pillars of real estate execution — Money, Material, and Management — through a single, aligned platform. This marks the company’s third project in Mumbai, further establishing it as a preferred partner for high-value real estate delivery in India’s most strategic urban markets.
